Professors: J. Henig

### Other

*These courses are offered through GSAS or SIPA, and might especially be of interest to Ph.D. students. Check with instructor about whether you have the necessary background to take the class.*

This sheet is intended to help all P&E students more easily identify some key program offerings that are available this semester. There are many other courses in the department that may meet additional requirements or electives for your degree program. If you have any questions about whether a course that is not listed will meet a requirement, please feel free to relay the question via email to Professor Henig at Henig@tc.columbia.edu
