Teaching of ASL (American Sign Language) Clinical Experiences

Field Experiences and Clinical Practice

Field Experiences

(early and ongoing field-based opportunities in which candidates may observe, assist, tutor, instruct, and/or conduct research)

Candidates conduct observations in 7-12 ASL classrooms for two semesters, 100 hours of observations each semester.

Clinical Practice

(student teaching or internships in which candidates are immersed in the learning community and are provided opportunities to develop and demonstrate competence in the professional roles for which they are preparing)

Candidates complete two semesters of student teaching in 7-12 ASL classrooms, 100 hours of student teaching each semester.

Total Hours: 400
