Speech and Language Pathology Clinical Experiences

Field Experiences and Clinical Practice

Field Experiences

(early and ongoing field-based opportunities in which candidates may observe, assist, tutor, instruct, and/or conduct research)

25 hours of observations in the entry-level class (could be either at TC clinic or any other speech pathology facility), 25 hours in Oral Habilitation class, the remaining hours prior to each field experience practice

Clinical Practice

(student teaching or internships in which candidates are immersed in the learning community and are provided opportunities to develop and demonstrate competence in the professional roles for which they are preparing)

3 externships of direct service provision (can include international programs), 4 semester of in-house clinical practice (sometimes simultaneous with the externship, assessment practicum)

Total Hours: 450
