About Roads to Success

Roads to Success is a 501(c)3 non-profit organization working with over a dozen schools in four boroughs. We partner with families, schools and communities to support children during out-of-school time hours. Our programs are built to improve students' total academic behavior (homework completion, attendance, and test scores) and expose participants to creative programming in arts, performance, recreation, and character development.

Our daily schedules are designed to support the academic skills and social emotional development of our participants, committing our staff and participants to four core values: Independence, Generosity, Belonging, and Mastery. Our goal is to supportively link school with after-school to help young people gain the skills to become self-sufficient, lifelong learners.

- Families must register their child in order to participate in any services including “Drop-In” days, available for emergencies, schedule conflicts, or just to try out the program. Participants may not attend program until at least 24 hours after registration is completed.
- Program includes snack or supper, homework help, group activities by age, and a daily activity such as Music, Art, Sports, and more! Students are grouped appropriately by age, and are always accompanied by our engaging staff.
- Activities take place within the building and grounds, with occasional field trips on special occasions.
- Only authorized adults are permitted to pick up any child at dismissal. Late pick up after 6 pm may result in a fee of $1 per minute.
Homework Help -
Students receive a quiet period with staff and peer assistance daily.

Supper or Snack - Every child will have a chance to get energized and sustained for an active afternoon with a meal provided by the school’s kitchen service.

Recreational and Enrichment Activities -
We offer daily activities, which are designed to spark interest in different categories of creativity or study, and promote positive skills such as sportsmanship, teamwork, cooperation, and more! Our instructors may specialize in any of the following:

- Performing Arts
- Visual Arts
- Science and Health
- Languages and Cultures
- Sports and Team building
