Dear School Administrator:

If you have not had the chance to fill out the two-minute survey for the Summer Principals Academy please do so as soon as possible. The AmeriCorps fellow’s Education Award is contingent upon the completion of this survey.

The last question of the survey will help us get a sense of whether you would like to place new Peace Corps Fellows at your school for the 2007-2008 school year. They will be certified to teach in the areas of: Bilingual Education, English, ESL, Science and Math. If you have multiple Fellows at your school, please fill out one survey for each Fellow.

Please return this form by **TUESDAY, June 15th** at the latest. It can be returned via fax, postal mail, or through the fellow in a sealed envelope with your signature across the seal.

The Peace Corps Fellows Program would like to thank you again for your support Peace of Corps Fellows. Your assistance, leadership and support are critical components of our Fellows' and our Program’s success; without it, the Fellows will be unable to receive their AmeriCorps Education Award.

Sincerely,

Sandy Hong
