Call for Proposals

Hello,

The TC Office of International Services (OIS) is planning a number of events in recognition of the annual *International Education Week (IEW), November 14-18, 2016*. This year’s theme will be “*International Educational Exchange: Past, Present and Future*”. We hope to explore this theme with you as we celebrate the rich heritage of international exchange and scholarship at Teachers College, Columbia University.

We are seeking proposals for presentations by:

- TC Faculty
- Visiting Scholars
- TC students (both American and International students)

Students may organize themselves into a panel to present research relating to a similar theme. In this case, one person should return the “Call for Proposals” form and describe the panel and participants. There will also be an opportunity to present at a poster session.

If you would like to participate in a session, please fill out the form below and return it to the Office of International Services (email or in person – see below) **by Friday, October 21, 2016**.

Last year’s sessions were informative and interesting for both presenters and attendees. It is an excellent opportunity to share your research with the TC community. We hope you will consider being a part of this event! If you would like more information or would like to share ideas and recommendations about presenting, please contact us.

Thank you,

Chiara Davis Fuller (Administrative Fellow)  
Office of International Services  
Coordinator of IEW at Teachers College, Columbia University
