Self Service Enrollment Guide for Macs

1. From your Mac, copy and paste the following link into your web browser: https://tccu.jamfcloud.com/enroll

2. Type in your Active Directory username (the same username you use to log into your work computer) in the "Username" box, then type in your Active Directory password in the "Password" box, then click "Log In."
3. Next, you'll see a box that says "Assign to user." Type in your Active Directory account username (again, the same username you use to log into your work computer) and click the magnifying class icon. Then, click "Enroll."

4. Click Continue
5. Click **Continue**

6. Click **Install**
7. Click the **red circle** to close the window

8. Click **Continue**
9. Click **Install**

10. Click **Continue**
11. Click **Install**

![Image of the Install window]

12. Enter your Mac username and password and click **OK**

![Image of the login window]
13. Click the **red circle** to close the window

14. The Self-Service App is now installed! After a few minutes, the app should appear in your dock.

*The enrollment process is complete.*
If you don't see it in the dock, click the little magnifying glass icon in the upper right-hand corner of your screen and type in Self-Service.

Here's what the Self-Service App looks like:
