Proceed to Step 3 if no JD changes are needed or after JD approval.

STEP 3: Create Requisition from Approved Job Description
Click Create requisition from a job description to be taken to the requisition form.

STEP 4: Complete Job Details on Requisition
Required fields are marked with an asterisk*. Many auto-populate based on corresponding JD fields.

Also complete any non-mandatory fields as specified by the employee group in which you are hiring.

For example, for a Full Time Instructional staff member, complete the three “For FT Instructional Staff Positions Only” fields, as pictured to the right:
STEP 5: Headcount Management section

This section will automatically populate with one row for a single position. Only requisitions for pooled positions should have more than one row for headcount.

In the **Type** section, please select **New** or **Replacement** depending on the nature of the requisition.

---

STEP 6: Search Committee Section (optional).

If applicable, set up a Search Committee.

1. Check ‘Yes’ in **Do you wish to utilize a search committee?**
2. Input the user name of the **Search Committee Chair**
3. Click **Add Search Committee Member** and select all applicable users.

**If you want to make updates to the search committee after the requisition has been approved, please email HRISTeam@tc.edu.**

---

STEP 7: Posting Details Section

In the **Posting Details** section, the first required field is the **Salary Range for Posting**.

Enter the minimum and maximum amounts of the salary range you are willing and able to pay for this position.

---

**revised Apr 2024**
**STEP 7.1: Determine the minimum for the salary range for posting.**

Go to the **Salary** section of the requisition.

Using the minimum amount on the pay scale as a guide, determine the appropriate amount that is not below the minimum pay scale nor below the minimum wage.

**Please reach out to your HR Rep for any further guidance.**

**STEP 7.2: Determine the maximum for the salary range for posting.**

Using the maximum amount on the pay scale as a guide, determine the appropriate amount that is not above the maximum pay scale nor above the maximum budgeted amount you are willing to pay for the position.

You can work with your budget administrator to determine this number.

*If the maximum budget amount available is lower than the minimum of the payscale, please consult with your HR Generalist.

**STEP 7.3a: Input the “Salary Range for Posting” field.**

Manually enter the minimum and maximum amounts determined in the previous steps.

**NOTE:** If there is a large discrepancy between the maximum budgeted amount and the listed pay scale, please consult with your HR Generalist. This could mean that your budget is not competitive enough to attract candidates with the current market rate.

### STEP 7.3c: Process for Faculty Positions

For Faculty positions, enter the salary range based on the rank. If a position is posted with more than one rank, list all applicable salary ranges. Ex. For Assistant/Associate Professor, enter: "Assistant Level: $103,500 - $139,725, Associate Level: $119,025 - $155,543, Compensation commensurate with experience"

### STEP 7.3d: Process for Hourly, non union positions

Next, if you wish for your requisition to be posted to an external site, click on the hyperlink to the appropriate form and request the external posting be created by the HR team.

STEP 7.5: Generate the job posting information.
