Art and Art Education Clinical Experiences

Field Experiences and Clinical Practice

Field Experiences

(early and ongoing field-based opportunities in which candidates may observe, assist, tutor, instruct, and/or conduct research)

Candidates are required to complete two semesters of field observations courses (A&HA 4281), 50 hours each, including the required 15 hours of observation of students with special needs.

Clinical Practice

(student teaching or internships in which candidates are immersed in the learning community and are provided opportunities to develop and demonstrate competence in the professional roles for which they are preparing)

Candidates are required to complete two semesters of student teaching and practicum seminar (A&HA 4701; A&HA 4722) and two placements: one at an elementary school and the second at a secondary school. It is expected that they follow their secondary school site and four full days a week at the elementary school site.
