Physical Education Clinical Experiences

Field Experiences and Clinical Practice

Field Experiences

(early and ongoing field-based opportunities in which candidates may observe, assist, tutor, instruct, and/or conduct research)

Candidates complete field assignments (100 hours) as part of their academic coursework: BBSR 5041 and BBSR 5240.

Clinical Practice

(student teaching or internships in which candidates are immersed in the learning community and are provided opportunities to develop and demonstrate competence in the professional roles for which they are preparing)

Over the course of semester, candidates complete two student teaching placements, eight weeks each, one at an elementary and another at a secondary school level. (300 hours)

Total Hours: 400
