Behavior Analysis Clinical Experiences

Field Experiences and Clinical Practice

Field Experiences

(early and ongoing field-based opportunities in which candidates may observe, assist, tutor, instruct, and/or conduct research)

Candidates are placed in full-time internships at our CABAS® Professional Schools. MA candidates are required to complete full-time (35 hours per week) internships as teaching assistants in CABAS Board accredited schools. They complete 500+ hours per semester for 3-4 semesters. Field and clinical experiences across regular or integrated classrooms with special education students are provided in three categories: Birth-K, Grades 1-3, and Grades 4-6.

Clinical Practice

(student teaching or internships in which candidates are immersed in the learning community and are provided opportunities to develop and demonstrate competence in the professional roles for which they are preparing)

Candidates are placed in full-time internships at our CABAS® Professional Schools. MA candidates are required to complete full-time (35 hours per week) internships as teaching assistants in CABAS Board accredited schools. They complete 500+ hours per semester for 3-4 semesters. Field and clinical experiences across regular or integrated classrooms with special education students are provided in three categories: Birth-K, Grades 1-3, and Grades 4-6.

Total Hours: 1500
