Deaf and Hard of Hearing Clinical Experiences

Field Experiences and Clinical Practice

Field Experiences

During the first year, candidates complete approximately 10 day-long observations (60 hours) in the various schools, programs and agencies involved with the education of the deaf and hard of hearing in New York City. The remaining (minimum 40) observation hours occur in the beginning of the second year at the school or agencies of student teaching.

Clinical Practice

Candidates complete two semesters of student teaching, depending on second area of certification, one in a setting with hearing students and one in a setting with deaf/hh students. Each placement runs 12-15 weeks, 4-5 days per week totaling approximately 450 hours.
