Mathematics Education Clinical Experiences

Field Experiences and Clinical Practice

Field Experiences

(early and ongoing field-based opportunities in which candidates may observe, assist, tutor, instruct, and/or conduct research)

Candidates are required to have at least 100 clock hours of field experiences related to coursework prior to student teaching. Field experiences include 50 hours of observations prior to each student teaching experience.

Clinical Practice

(student teaching or internships in which candidates are immersed in the learning community and are provided opportunities to develop and demonstrate competence in the professional roles for which they are preparing)

Candidates complete two student teaching experiences, concurrently or sequentially, one at grade levels 7-9 and one at grade levels 10-12. Each student teaching experience is at least 6 weeks and includes at least 100 hours of teaching.

Total Hours: 300
