Imagine there's no heaven
It's easy if you try
Nothing below us
Above us only sky
Imagine all the people
Living for today...

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

Because the world is round it turns me on
Because the world is round...aaaaahhhhh

Because the wind is high it blows my mind
Because the wind is high......aaaaaaaahhh

Love is all, love is new
Love is all, love is you

Because the sky is blue, it makes me cry
Because the sky is blue.......aaaaaaaahhh

Aaaaahhhhhhhhh....

<td>&quot;We Are the World&quot; is a 1985 song written by Michael Jackson and Lionel Richie, produced and conducted by Quincy Jones and recorded by popular musicians billed as USA for Africa. The single raised funds to help famine-relief efforts in Ethiopia.</td>
<td>The short, simple lyrics of &quot;We Shall Overcome&quot; might be some of the most influential words in the English language. &quot;We Shall Overcome&quot; has its roots in African American hymns from the early 20th century. By the 1950s, the song had been discovered by the young activists of the African American civil rights movement. When the long years of struggle ended and President Lyndon Johnson vowed to fight for voting rights for all Americans, he included a final promise: &quot;We shall overcome. (Library of Congress)</td>
</tr>
<tr>
<td>There comes a time when we heed a certain call When the world must come together as one There are people dying, it's time to lend a hand To life, the greatest gift of all We can't go on pretending day by day That someone somewhere will soon make a change We are all part of a great big family And the truth's you know love is all we need We are the world, we are the children We are the ones who make a brighter day, so let's start giving There's a choice we're making, we're saving our own lives It's true we make a better day, just you and me When you're down and out, there seems no hope at all But if you just believe, there's no way we can fall Let us realize that a change can only come When we stand together as one We are the world, we are the children We are the ones who make a brighter day, so let's start giving There's a choice we're making, we're saving our own lives It's true we make a better day, just you and me We are the world, we are the children We are the ones who make a brighter day, so let's start giving There's a choice we're making, we're saving our own lives It's true we make a better day, just you and me</td>
<td>We shall overcome We shall overcome We shall overcome We shall overcome some day We shall overcome some day We shall all be free We are not afraid We are not alone We are the world, we are the children We are the ones who make a brighter day, so let's start giving There's a choice we're making, we're saving our own lives It's true we make a better day, just you and me Oh, deep in my heart I do believe We shall overcome some day We'll walk hand in hand We shall overcome We shall overcome We shall overcome some day</td>

**This little light of mine**
*Harry Dixon Loes*

"This Little Light of Mine" was written in about 1920 and has since entered the folk tradition. It eventually became a Civil Rights anthem.

This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine.
Let it shine, let it shine, let it shine

Light that shines is the light of love,
Hides the darkness from above,
Shines on me and it shines on you,
Shows you what the power of love can do.
Shine my light both bright and clear,
Shine my light both far and near,
In every dark corner that I find,
Let my little light shine.

This little light of mine, I'm gonna let it shine. (3x)
Let it shine, let it shine, let it shine

Monday gave me the gift of love,
Tuesday peace came from *above*,
Wednesday told me to have more faith,
Thursday gave me a little more grace,
Friday told me to watch and pray,
Saturday told me just what to say,
Sunday gave me the power divine
To let my little light shine.

This little light of mine, I'm gonna let it shine. (3x)
Let it shine, let it shine, let it shine

**It's a small world after all**

Richard M. Sherman and Robert B. Sherman

It's a world of laughter  
A world of tears  
It's a world of hopes  
And a world of fears  
There's so much that we share  
That it's time we're aware  
It's a small world after all

There is just one moon  
And one golden sun  
And a smile means  
Friendship to everyone  
Though the mountains divide  
And the oceans are wide  
It's a small world after all

It's a small world after all  
It's a small world after all  
It's a small world after all  
It's a small, small world
