How to Register:

1: Review the online schedule of classes: http://www.tc.columbia.edu/tc-schedule

2: Obtain advisement and any special approvals or overrides required (see section C-1).

3: Register using the myTC Portal (https://my.tc.columbia.edu). You will need your UNI and your UNI password to access the Portal. Remember that your UNI is the part of your Columbia e-mail address that comes before the @ symbol, as in zxq1@columbia.edu.

In addition, new students will a registration PIN to register. You can obtain your registration PIN from your advisor after receiving academic advisement.

We have maintained Touch-Tone Registration at (212) 678-3200. However, we recommend that you use myTC to register. If you must register via touch-tone, you will need your TC ID number and a PIN number. If you’ve used Touch-Tone Services before, you can continue to use the same PIN. If you have misplaced your PIN or need a PIN, contact the Registrar’s Office at (212) 678-4050 for information on how to get it.

4: Make payment through the myTC Portal, via Touch-Tone Services, or with the Office of Student Accounts (133 Thompson).

Note: Fall 2010 registration also begins on May 19 for new students. New Fall 2010 students who would like to begin taking classes in the summer should first see the Admissions Office to have their start term adjusted. Once the adjustment has been made, newly admitted students may register for both Summer and Fall 2010 on May 19.

Classroom Assignments: A complete list of classroom assignments will be available on the online schedule just before the start of summer classes. You can also visit the Students section of the TC web site and click on the link for “Course/Event Locations” to see where your classes meet on any given day.
REGISTRATION INFORMATION AND PROCEDURES

Registration through the myTC Portal: [http://my.tc.edu](http://my.tc.edu)

Students may register for classes online using their UNI and UNI password to access the system. Your UNI is the first part of your Columbia University e-mail, as in zxq1@columbia.edu. If you have not yet set up your UNI account or have forgotten your UNI or password, please go to [http://uni.columbia.edu](http://uni.columbia.edu) for assistance. Web services include registration, up-to-date schedules of classes, student schedules, unofficial transcripts, and financial account transactions. Find the login prompt for myTC on the main TC web site ([http://www.tc.edu](http://www.tc.edu)) in the upper right-hand corner of the screen. Once in the TC Portal, browse to the “TC Services” tab to access online enrollment services.

Registration on the Touch-Tone System: (212) 678-3200 or x3200 at TC

We advise students to register through myTC. However, if you must use touch-tone, you will need your TC ID number (beginning with the letter T) and a six-digit PIN. If you have used touch-tone registration before, your old PIN will continue to work. If do not know your TC ID number and/or PIN, contact the Registrar’s Office at (212) 678-4050. Please note that you should only enter the eight digits in your TC ID number that come after the letter T. Listen to instructions carefully, and, after entering any registration activity (initial registration, adding courses, dropping courses), remember to CONFIRM your registration. Service is normally available during registration periods from 8:00 a.m. through 11:00 p.m. every day.

Advising and Special Permission Courses

It is the responsibility of each student to obtain advising and approval for their course selections from their academic advisor prior to registering. Registering for classes that your advisor has not approved can seriously compromise your ability to fulfill degree requirements and may have unintended financial consequences. Students must also obtain permission from the course instructor for any course listed in the Schedule of Classes as requiring instructor approval.

Overrides for waivers of prerequisites, co-requisites, major restrictions, degree restrictions, or closed classes must be authorized in writing and recorded by either the academic department hosting a given class or by the Registrar’s Office. The Special Permission/Override Form is in this bulletin and is available in the Registrar’s Office. Please allow twenty-four hours once the course approval has been obtained for the department or the Registrar to complete the data entry of the form.

All approvals/overrides must be recorded before you can register via Touch-Tone Services or the Student Information System. Note that simply turning in the Special Permission/Override Form does not register you for the course. After submitting the form, you must use the online Student Information System or Touch-Tone Services to complete your registration.

Registration PINs

In addition to UNI and UNI password, any student new to TC will need a registration PIN to register. Students will not receive registration PIN’s until after they have received advisement. If, after receiving advisement, you misplace your registration PIN, contact your major program office.

Holds

Holds may be placed on your record which can block your registration. All holds must be removed by the originating office before you will be able to register. You may check if you have any holds on the Student Information System.

Changes of Registration

Students can make registration changes online, via touch-tone, in person in the Registrar’s Office (324 Thorndike), or through the Registrar’s fax (212-678-3005). If making a change in-person or via fax, please make certain to sign your registration change request. See below for specific deadlines and procedures:
Special-date Course: Defined as any course or workshop whose meeting dates do not coincide with the dates of the full academic term.

Adding/Dropping Courses: Students may continue to add or drop courses through the add/drop period. See page 1 for specific dates. After these dates, students will only be able to add workshops or special-date courses starting later in the summer session, prior to the course’s first meeting. In addition, students must drop courses with special dates before the course begins to receive full tuition credit. There is no reduction of tuition for special-date classes once the course begins. Failure to attend classes does not lead to an automatic dropping of courses.

Withdrawal: After the add/drop deadline has passed, students may only withdraw from courses. Students who withdraw may receive a pro-rated tuition credit based on the date that the Registrar receives the withdrawal request (see refund schedule further in this bulletin). No tuition refund or credit is granted for withdrawal from special-date courses after a course’s first meeting date. Any course withdrawn after the add/drop deadline will appear on the student’s record with a grade of “WD.” Failure to attend classes does not lead to an automatic withdrawal.

Changes of Points in Variable-Point Courses: Students may add or drop points in variable-point courses through the deadlines shown on page 1. Changes of points may be completed in person at the Office of the Registrar, via the Registrar’s fax (212-678-3005), or on the myTC Portal.

Late Registration
Registrations are not permitted after the end of the add/drop period (see dates on page 1) except under exceptional circumstances requiring special approval from the Registrar and payment of a $100 late fee. Attendance in a class without being registered will not entitle a student to register after the deadline.

Registration for Workshops and Special-Date Courses
Students may register for special-date courses and workshops after the end of the add/drop period (as noted on page 1), but they must complete registration and pay course tuition prior to the start of the workshop or course. For credit registration, students may register through the TC Portal, Touch-Tone Services, the Registrar’s fax (212-678-3005), or in person in the Office of the Registrar. Special-date courses and workshops available for graduate credit are listed in the Schedule of Classes. Students will not be permitted to change from credit registration to non-credit registration or from non-credit to credit after the start of the workshop or course.

Withdrawal From Workshops: Students must withdraw from a workshop or special-date course prior to the course start date. No tuition rebates will be granted for withdrawal after the course start date.

Changes in Grading Options
The following changes in grading options may be made in the Office of the Registrar by the deadlines indicated below. Forms to complete these changes are available in the Office of the Registrar or at http://www.tc.columbia.edu/administration/registrar/forms.htm

Pass-Fail or Letter Grading Option: Selection of either grading option in courses that offer this choice must be made before the close of the third class session.

Attendance (“R”) Grade Option: Declaration of this option must be made before two-thirds of the class sessions have met. How “R” credit is applied to degree program requirements is explained on the application form.

Doctoral Pass (“DP”) Grade Option: This grade option is available only to certified doctoral candidates in terms subsequent to the term in which the student has been certified by the appropriate doctoral committee. Declaration of this option must be made before two-thirds of the class sessions have met.

Cross-Registration
All TC students have the option of taking courses at Columbia University, Barnard College, Union Theological Seminary, and Jewish Theological Seminary. During fall and spring terms, doctoral students beyond their first
year of study may register at participating institutions in the Interuniversity Doctoral Consortium (IUDC). Students may register for most Columbia courses online through the Student Information System by entering Columbia call numbers in place of CRN’s. However, specific registration procedures can vary by school. Visit the Cross-Registration section of the Registrar’s web page (http://www.tc.edu/registrar) for further details.

**Registration in Advanced Columbia University Undergraduate Courses**

Students in degree programs may petition the Registrar to register for an advanced course offered at Columbia University. Visit http://www.tc.columbia.edu/administration/registrar/forms.htm, print out and complete the “Undergrad Registration Form,” review the policies shown on the form, and return it to the Registrar’s Office in person or via fax (212-678-3005). Please note that there is a separate form available on the Registrar’s web page to seek to count advanced undergraduate credit towards a Teachers College degree.

**ID Cards**

New students may receive a TC ID card once they have registered for classes. A valid TC ID card is needed for access to campus academic buildings and the residence halls at all times. If your TC ID card is lost or stolen, please report it immediately to the Office of Card Services. The replacement card fee is $20. ID cards can be obtained in the Office of Card Services located in suite 1B Whittier Hall.

**Tuition and Fees**

Tuition and fee rates are set annually by the Board of Trustees. For the 2009-2010 academic year, the per-point tuition rate is $1,127, and the college fee is $368. Please see miscellaneous fees below.

**Payment Options**

Various forms of payment are accepted for tuition and fees and may be used individually or in combination. Teachers College accepts checks, money orders, most major credit cards, and cash. A deferred payment plan, a tuition pre-payment plan, tuition exemption, third-party billing agreements, and financial aid are also available to finance a Teachers College education. Some restrictions may apply.

**Personal Checks, Cashier Checks, or Money Orders:** Must be made payable to Teachers College. These types of payments can either be submitted in person, placed in the drop box, or mailed to the Office of Student Accounts; 525 West 120th Street, Box 305; New York, NY 10027. The drop off payment box is located at the door of the Office of Student Accounts, 133 Thompson Hall. Do not place cash in this box. Please indicate the student identification number and a valid daytime telephone number on the face of the check or money order. Online fee-free ACH (checking or savings account) payments are also accepted. Online payments can be made by accessing the myTC site at https://my.tc.edu. Returned checks are assessed a returned check fee and may be subject to collection fees, if necessary.

**Cash Payments:** Must be made in-person at the Office of Student Accounts, 133 Thompson Hall. During the academic year, the Office of Student Accounts staff is available Monday through Thursday 9:00 a.m. until 6:00 p.m. and Friday 9:00 a.m. until 5:00 p.m.

**Credit Card Payments:** Teachers College utilizes a third party processor, CASHNet SmartPay, to accept credit card payments. A convenience charge is assessed on all credit card payments. CASHNet SmartPay accepts
American Express, MasterCard, and Discover credit cards. Students can make credit card payments through the myTC Portal, which is available on the Web at: https://my.tc.edu or by calling CASHNet at (866) 504-9286. The College (Office of Student Accounts) does not accept credit cards directly. These payments must be made through our processor.

**Deferred Payment Plan:** Students may choose to participate in the deferred payment plan during the fall and spring semesters. The deferred payment plan allows students to spread total tuition and fees, less any aid disbursed, over three equal installments during the semester. An agreement between the student and Teachers College must be completed with a representative of the Office of Student Accounts no later than the current term’s payment deadline, as noted on page 1. A $50 fee is required to participate in the plan and the first installment is due at the time the student signs the agreement. Term installment deadlines are shown on page 1. Failure to remit payment, as scheduled, in the Deferred Payment Plan will result in the assessment of a late payment penalty of 1 1/3 percent on any unpaid balance.

**Tuition Exemption:** Students employed at the University may be eligible for tuition exemption. Human Resources must authorize tuition exemption forms with a valid HR personnel signature. Authorized tuition exemption forms must be submitted in person by the payment deadlines noted on page 1. If a student registers late, payments including tuition exemption forms are due at the time of the late registration. Various fees including, but not limited to, course fees, college fees, health service fees, medical insurance, and late registration fees are not covered by tuition exemption.

**Third-Party Agreements:** Students enrolling under a third-party agreement must submit an authorization form to the College for approval. A third party is usually an outside agency (not an individual) that agrees to pay all or part of the charges incurred by a particular student. The authorization form must include the student’s name, relevant semester(s), and the total amount of tuition and fee charges that the third party is willing to pay. The form must be signed by an official of the third-party agency. A third-party agreement between the College and the agency must be completed annually before the start of the academic year (or in some cases before the beginning of every semester).

**Financial Aid:** If all required applications and documentation have been filed with the Office of Financial Aid by the required deadline, financial aid awards should be available at the time of registration. Late application filing and anticipated financial aid do not constitute a deferment. Since all tuition and fees are due at the time of in-person registration, late payment penalties will be assessed on any outstanding balance as described under the “Late Payment Penalties” section of this document. For further information about financial aid, consult the current Academic Catalog.

**Registration Changes After Payment Due Date**
If you register or add points to your schedule after the payment deadline for the term, you must remit payment to the Students Accounts Office immediately or face a late payment charge. Refunds of tuition resulting from courses dropped during the add/drop period or from withdrawals are usually processed by the Office of Student Accounts within one week.

You may review your schedule and bill on TC-Web. If you are on campus, you may request a printed schedule/bill from the Office of the Registrar. You should review your schedule and bill often to ensure that you are registered for the correct courses and that your account is settled.

**Late Payment Penalties**
Failure to clear all account balances may result in two late payment penalties. An initial late payment fee of $50 will be charged on any outstanding balance during the first billing period, and a 1-1/3 percent monthly late payment penalty (16 percent annually) will be assessed on any outstanding balance past due thereafter. In addition, failure to make timely payment of housing charges and fees violates the dormitory agreement and may result in eviction. Unpaid accounts may be referred to a collection agency.
Withdrawal From Classes
By registering for classes, a student has entered into a legal and binding contract to pay all tuition, fees, and penalties charged by Teachers College. When a student withdraws completely from all Summer Term or Summer Session courses after the add/drop period, the tuition charges originally assessed may be reduced, based on the date of withdrawal. There is no rebate for withdrawal from individual classes. Failure to attend classes does not constitute an automatic withdrawal; students must submit a written request for withdrawal to the Office of the Registrar.

The percentage of tuition rebates for withdrawals will be determined according to the schedules shown on page 1. Only charges for tuition, no other fees, may be subject to rebate.
HEALTH SERVICES AND IMMUNIZATIONS

Summer Health Service Program

Summer Health Service Program: All TC students registered for summer courses may opt to enroll in the Summer Health Service Program by paying the Summer Health Service Fee (cost released in late April). The fee covers primary care, counseling and psychological services, health education, support for survivors of sexual assault, as well as the public health services the department provides to the university community. The Health Service Fee also covers a specified set of off-campus services (some of these services require a prior referral).

Dates of Coverage: The Summer Health Service Program provides coverage from June 1 – August 31, 2010.

Student Medical Insurance Coverage: Student Medical Insurance cannot be purchased for the summer months, June 1 – August 31. Students enrolled in either the basic or comprehensive level of the Columbia Student Medical Insurance Plan in the Spring 2010 semester will retain coverage through August 31, 2010.

Early Arrival Plan for New Students: New students who begin their academic programs during the summer A or B sessions are eligible to enroll in the Early Arrival Student Insurance Plan. There are two options for the Early Arrival Plan. Students can elect coverage from July 1 – August 31, 2010 or from August 1 – August 31 only. The cost for this plan will be released in late April; please refer to www.tc.edu/health.

Immunization Requirements

There are two immunization requirements that all students must meet. All immunization documentation must be submitted by August 1, 2010 deadline.

- Documentation of Immunity to Measles, Mumps, and Rubella: New York State Public Health Law 2165 requires all students born on or after January 1, 1957 and registered for 6 or more credits to document proof of their immunity to measles, mumps, and rubella (MMR) before their first term of study. Immunity can be documented by providing exact dates of immunization shots (MMR or 2 measles, 1 mumps, 1 rubella), OR by providing results of positive blood test (titers), OR in the case of measles and mumps, by providing dates of physician diagnosis of the disease. For additional methods to show proof of immunity, refer to the immunization requirements at www.tc.edu/health.

- Meningococcal Meningitis Decision: New York State Public Health Law 2167 requires that college and university students receive information from their institutions about meningococcal meningitis and the vaccine that protects against most strains of the disease that occur on university campuses. Students must formally indicate their decision about being vaccinated.

The combined immunization form provides the above information and allows you to certify your decision. This form is available online at: http://www.tc.edu/health under the “Forms” page or at the Office of Insurance and Immunization Records at 159 Thorndike Hall.

INSTRUCTIONS FOR USING THE SPECIAL PERMISSION/COURSE RESTRICTION OVERRIDE FORM
Please use only one form per course.

STUDENTS:
This form may be used to:
1. Obtain special permission for a course. (Special Permissions can be entered into the TC system by the department)
2. Obtain an override for a class whose enrollment has reached or exceeded the maximum designated by the department.

Have your instructor complete this form by initialing either item #1 or #2 on this form and signing the bottom. Either the academic department or the Registrar can enter override #1 for you. Only the Registrar’s Office can enter override #2.

You must register via TC-Web or the Touch-Tone System once your permission/override has been processed.

INSTRUCTORS:
Please remember that your initials next to line #1 will override any academic restriction on the course, including prerequisite, co-requisite, degree, and/or major restrictions. However, an override on line #1 will not allow a student to register in a full course section; you must specify that you will allow enrollment beyond your course’s enrollment cap by initialing next to line #2. Sign the form in the space at the bottom when complete.
