Login using your TC Student ID Number (e.g., T12345678) and your six-digit PIN. Besides the basic login PIN, new students will also need a six-digit registration PIN. For touch-tone, enter only the eight digits following the “T.” For the web, enter the entire number including the “T.”

CLASSROOM ASSIGNMENTS: A complete list of classroom assignments will be available on the online schedule just before the start of fall classes. Classroom assignments will also be posted on the bulletin board on the first floor of the Zankel Building (near the main entrance).

ALL STUDENTS: Please read all policies and procedures carefully before registering.
Registration on the Student Information System

https://info.tc.columbia.edu

Students may register for classes online using their student ID number (beginning with the letter “T”) and PIN to access the system. Web services include registration, up-to-date schedules of classes, student schedules, unofficial transcripts, and financial account transactions. Find the login prompt on TC-Web by clicking on “Resources for Students” followed by “Student Information System” on the menu, or enter the URL address above. From there, click on “Login” and enter your student ID and PIN to get started. Read instructions as you go on each web page. New and continuing master’s and non-degree students may register on the web beginning June 10, 2008.

Registration on the Touch-Tone System (212) 678-3200 or x3200 at TC

Students may register using the Touch-Tone System by calling the number above and using their student ID number and six-digit PIN. Enter only the eight digits after the “T” when prompted for your ID. Please listen to instructions on the system carefully, and, after entering any registration activity (initial registration, adding courses, dropping courses), remember to CONFIRM your registration. New and continuing doctoral students may register on TC-Web or voice beginning May 12, 2008. New and continuing master’s and non-degree students may register on the web or touch-tone systems beginning June 10, 2008. Service is normally available during registration periods from 8:00 a.m. through 11:00 p.m. every day.

Advising and Special Permission Courses

It is the responsibility of each student to obtain advising and approval for their course selections from their academic advisor prior to registering. Registering for classes that your advisor has not approved can seriously compromise your ability to fulfill degree requirements and may have unintended financial consequences. Students must also obtain permission from the course instructor for any course listed in the Schedule of Classes as requiring instructor approval. Overrides for waivers of prerequisites, co-requisites, major restrictions, degree restrictions, or closed classes must be authorized in writing and recorded by either the academic department hosting a given class or by the Registrar’s Office. The Special Permission/Override Form is in this bulletin (section C-2) and is available in the Registrar’s Office. Please allow twenty-four hours once the course approval has been obtained for the department or the Registrar to complete the data entry of the form.

All approvals/overrides must be recorded before you can register via Touch-Tone Services or the Student Information System. Note that simply turning in the Special Permission/Override Form does not register you for the course. After submitting the form, you must use the online Student Information System or Touch-Tone Services to complete your registration.

Student ID Numbers

Teachers College does not use social security number as a student ID number. The new TC ID numbers begin with the letter “T” followed by eight digits. Continuing students who do not know their new ID number can obtain it in two ways: 1). Log on to the student information system using your old ID number and follow the link for new ID number or 2). Bring a photo ID to the Registrar’s Office to get your new ID. New students should have received their TC ID number with their admissions acceptance materials. New students who misplace or forget an ID number should contact the Admission Office for assistance at (212) 678-3710.

Personal Identification Numbers (PINs)

Continuing Students: A personal identification number (PIN) and your TC ID are required to access the Touch-Tone and TC-Web services. PIN numbers consist of six digits and should be kept confidential. Continuing students who misplace or forget a PIN can obtain it from the Office of the Registrar by presenting a TC- or government-issued photo ID during normal business hours. You may also recreate your PIN online by entering your TC ID number and clicking the ‘Forgot PIN’ button on the login page. For security reasons, PINs may not be released over the telephone. If your PIN becomes disabled after three or more unsuccessful attempts to login, contact the Office of the Registrar at (212) 678-4050 to have your number reactivated.

New Students: Any student new to TC for Fall 2008 will need two PIN’s to register: 1). a basic access PIN (as described above) to log on to the Student Information System or Touch-Tone Services and 2). a registration PIN. Basic PIN’s are sent out to students via e-mail shortly after admissions acceptance letters. New students who misplace their basic access PIN should visit the Admissions Office with government-issued photo ID. Students will not receive registration PIN’s until after they have received advisement. If, after receiving advisement, you misplace your registration PIN, contact your major program office.

Holds

Holds may be placed on your record which can block your registration. All holds must be removed by the originating office before you will be able to register. You may check if you have any holds on the Student Information System.

In-Person Registration

In addition to online and touch-tone services, new students may register in-person for Autumn 2008 courses on Tuesday, September 2, 10:00 a.m. to 7:00 p.m., in 242 Horace Mann. Students should only visit the registration center once they have had advisement. Returning students are generally expected to register online or via touch-tone. However, new and returning students interested in registering for courses at the C.U. Business School, C.U. School of Social Work, C.U. School of International & Public Affairs, C.U. School of Journalism, C.U. School of Law, U.T.S., and J.T.S. will need to register at in-person registration with the required permissions from those schools.

Changes of Registration

Students can make registration changes online, via touch-tone, in-person in the Registrar’s Office (150 Horace Mann), or through the Registrar’s fax (212-678-3005). If making a change in-person or via fax, please make certain to sign your registration change request. See below for specific deadlines and procedures:

Adding Courses: Students may continue to add courses through Tuesday, September 16. After this date, students will only be able to add workshops or special-date courses starting later in the semester, prior to a course’s first session.

Dropping Courses: Students may drop courses and receive full tuition credit, through Tuesday, September 16. Courses with special dates must be dropped before the course begins to receive full tuition credit. There is no reduction of tuition for special-date classes once the course begins or for fee-based courses in art, music, and dance after the close of the change of program period. You may obtain a list of fee-based courses in the Office of the Registrar. Failure to attend classes does not lead to an automatic dropping of courses.

Withdrawal: After September 16, students may only withdraw from courses. These courses will remain on the student’s academic record with a grade of “WD.” Refunds of tuition are calculated from the date such notice is received (see section on “Rebate of Tuition and/or Fees”). Failure to attend classes does not constitute an automatic withdrawal. Courses with special dates must be dropped before the course begins to receive full tuition credit. There is no reduction of tuition for
special-date classes once the course begins or for fee-based courses in art or music after the close of the change of program period.

Changes of Points in Variable-Point Courses: Students may add or drop points in variable-point courses through Tuesday, September 30. Changes of points may be completed in person at the Office of the Registrar, via the Registrar’s fax (212-678-3005), or on the Student Information System.

Late Registration
Registrations are not permitted after Tuesday, September 16 except under exceptional circumstances requiring special approval from the Registrar and payment of a $100 late fee. Attendance in a class without being registered will not entitle a student to register after the deadline.

Changes in Grading Options
The following changes in grading options may be made in the Office of the Registrar by the indicated deadlines. Forms to complete these changes are available in the Office of the Registrar.

Pass-Fail or Letter Grading Option: Selection of either grading option in courses that offer this choice must be made before the close of the third class session.

Attendance (“R”) Grade Option: Declaration of this option must be made before two-thirds of the class sessions have met. How “R” credit is applied to degree program requirements is explained on the application form.

Doctoral Pass (“DP”) Grade Option: This grade option is available only to certified doctoral candidates in terms subsequent to the term in which the student has been certified by the appropriate doctoral committee. Declaration of this option must be made before two-thirds of the class sessions have met.

Petitions for Graduate Credit in Advanced Columbia University Undergraduate Courses
Students in degree programs may petition the Registrar to have an advanced undergraduate course offered at Columbia University counted as graduate credit toward the degree. To be considered for graduate credit, the courses must be beyond the general introductory level, relevant to the student’s specialty, and must not be available on the graduate level from within the University. In addition, a student must obtain a written statement from the instructor of the course clarifying the additional work required in order to differentiate between undergraduate and graduate participation in the courses. Language courses must be beyond the first two years of study. No more than 6 credits of advanced undergraduate course work may be approved for graduate credit. The advisor’s written recommendation is also required, and final approval is granted by the Registrar. Students may obtain petition forms from the Office of the Registrar and must return completed forms before registering.

Registration for Workshops and Special-Date Courses
Students may register for special-date workshops and workshops after September 16, but they must complete registration and pay course tuition prior to the start of the workshop or course. For credit registration, students may register through Touch-Tone Services, the Student Information System, the Registrar’s fax (212-678-3005), or in person in the Office of the Registrar. Students registering for non-credit workshops should contact the Center for Educational Outreach and Innovation (107 Zankel Building, 212-678-3987) for information. Special-date courses and workshops are listed in the Schedule of Classes. Students will not be permitted to change from credit registration to non-credit registration or from non-credit to credit after the start of the workshop or course.

Withdrawal From Workshops: Students must withdraw from a workshop or special-date course prior to the course start date. No tuition rebates will be granted for withdrawal after the start date.

Enrollment Verification
Students who need to have their enrollment verified to an outside organization may fill out a request for Enrollment Verification, which is available in the Office of the Registrar. The Registrar will only verify enrollment after a student completes registration for the term. Please allow approximately five business days for processing these requests.

ID Cards
New students may receive a TC ID card on or after August 15, 2008 once they have registered for classes. A valid TC ID card is needed for access to campus academic buildings and the residence halls at all times. If your TC ID card is lost or stolen, please report it immediately to the Office of Card Services. The replacement card fee is $20. ID cards can be obtained in the Office of Card Services located in suite 1B Whittier Hall.

Change of Personal Information
Address: Students should notify the Office of the Registrar of any address change. A form is available for this purpose in the Registrar’s Office or at http://www.tc.columbia.edu/administration/registrar/forms.htm

Name: Students who need to change their names on their permanent records must fill out the Name Change form and provide one of the following pieces of supporting documentation: marriage license, divorce decree, passport, birth certificate, driver’s license, court decree, or a notarized statement. The form is available in the Registrar’s Office or at http://www.tc.columbia.edu/i/a/949_namechange.pdf

E-mail: Teachers College, recognizing the increasing need for electronic communication with students, has established e-mail as an official means of communication with students. In order to ensure effective communication with students, an official Columbia University (CUNIX) e-mail address is required for all students. Teachers College will send official communications to the CUNIX e-mail address, which is based upon the University Network ID (UNI) assigned to the student. For more information about CUNIX e-mail and the UNI, please see E-mail and Network Access under Computing and Technology on the TC homepage or browse to: http://www.tc.columbia.edu/computing/EmailNet.asp

Teachers College expects that each student will receive e-mail at his or her Columbia University e-mail address and will read e-mail on a frequent and consistent basis. A student’s failure to receive and read College communications in a timely manner does not absolve that student from knowing and complying with the content of such communications. Students may elect to redirect (auto-forward) e-mail sent to their CUNIX e-mail address. Students who redirect e-mail from their official University e-mail address to another address do so at their own risk. If e-mail is lost as a result of forwarding, it does not absolve the student from the responsibilities associated with communications sent to their official University e-mail address.

All use of e-mail will be consistent with other Teachers College and Columbia University policies including the Acceptable Use Policy at: http://www.tc.columbia.edu/computing/aupolicy

Tuition and Fees
Tuition and fee rates are set annually by the Board of Trustees. For the Autumn 2008 Term, the per-point tuition rate and college fee have not yet been determined, but we will post the rate online as soon as it is available (most likely in late May or early June). Below we have listed a number of miscellaneous fees that have already been set for Autumn 2008. Tuition and fee charges will post to individual student accounts by July 1, 2008. Autumn 2008 tuition and fee charges will be due in full by September 5, 2008.

Fees for Noncredit Workshops and Special Events
Those registering for credit, even if for one point only, are required to pay the Admission Application Fee. A student registering only for workshops, conferences, or other special courses sponsored by the Center for Educational Outreach and Innovation is not required to pay the College Fee. Those registering for noncredit courses only are not required to pay either the Admission Application Fee or the College Fee. Fees for noncredit registration in workshops are noted in the workshop description in the Center for Educational Outreach and Innovation brochure. Noncredit courses vary in rate, usually depending on the minimum number of points for which the particular course is offered and the special services provided.

Payment Options
Various forms of payment are accepted for tuition and fees and may be used individually or in combination. Teachers College accepts checks, money orders, most major credit cards, and cash. A deferred payment plan, a tuition pre-payment plan, tuition exemption, third-party billing agreements, and financial aid are also available to finance a Teachers College education. Some restrictions may apply.

Personal Checks, Cashier Checks, or Money Orders: Must be made payable to Teachers College. These types of payments can either be submitted in person, placed in the drop box, or mailed to the Office of Student Accounts; 525 West 120th Street, Box 305; New York, NY 10027. The drop off payment box is located at the door of the Office of Student Accounts, 133 Thompson Hall. Do not place cash in this box. Please indicate the student identification number and a valid daytime telephone number on the face of the check or money order. Online fee-free ACH (checking or savings account) payments are also accepted. Online payments can be made by accessing the Student Information System at: https://info.tc.columbia.edu. Returned checks are assessed a returned check fee and may be subject to collection fees, if necessary.

Cash Payments: Must be made in-person at the Office of Student Accounts, 133 Thompson Hall. During the academic year, the Office of Student Accounts staff is available Monday through Thursday 9:00 a.m. until 6:00 p.m. and Friday 9:00 a.m. until 5:00 p.m.

Credit Card Payments: Teachers College utilizes a third party processor, CASHNet SmartPay, to accept credit card payments. A convenience charge is assessed on all credit card payments. CASHNet SmartPay accepts American Express, MasterCard, and Discover credit cards. Students can make credit card payments through the Student Information System, which is available on the Web at: https://info.tc.columbia.edu or by calling CASHNet at (800) 339-8131. The College (Office of Student Accounts) does not accept credit cards directly. These payments must be made through our processor.

Deferred Payment Plan: Students may choose to participate in the deferred payment plan during the fall and spring semesters. The deferred payment plan allows students to spread total tuition and fees, less any aid disbursed, over three equal installments during the semester. An agreement between the student and Teachers College must be completed with a representative of the Office of Student Accounts no later than September 5, 2008 for the fall semester and January 23, 2009 for the spring semester. A $50 fee is required to participate in the plan and the first installment is due at the time the student signs the agreement. Tentative installment dates are listed below:

Fall Semester
First Payment on or before Sept. 5, 2008
Second Payment October 6, 2008
Third Payment November 6, 2008

Spring Semester
First Payment on or before Jan. 23, 2009
Second Payment February 23, 2009
Third Payment March 23, 2009

Failure to remit payment, as scheduled, in the Deferred Payment Plan will result in the assessment of a late payment penalty of 1/3% percent on any unpaid balance.

Tuition Exemption: Students employed at the University may be eligible for tuition exemption. Human Resources must authorize tuition exemption forms with a valid HR personnel signature. Authorized tuition exemption forms must be submitted in person no later than September 16, 2008 for fall 2008 and February 3, 2009 for Spring 2009. If a student registers late, payments including tuition exemption forms are due at the time of the late registration. Various fees including, but not limited to, course fees, college fees, health service fees, medical insurance, and late registration fees are not covered by tuition exemption. The student should be prepared to remit payment for these fees.

Third-Party Agreements: Students enrolling under a third-party agreement must submit an authorization form to the College for approval. A third party is usually an outside agency (not an individual) that agrees to pay all or part of the charges incurred by a particular student. The authorization form must include the student’s name, relevant semester(s), and the total amount of tuition and fee charges that the third party is willing to pay. The form must be signed by an official of the third-party agency. A third-party agreement between the College and the agency must be completed annually before the start of the academic year (or in some cases before the beginning of every semester)

Financial Aid: If all required applications and documentation have been filed with the Office of Financial Aid by the required deadline, financial aid awards should be available at the time of registration. Late application filing and anticipated financial aid do not constitute a deferment. Since all tuition and fees are due at the time of in-person registration, late payment penalties will be assessed on any outstanding balance as described under the “Late Payment Penalties” section of this document. For further information about financial aid, consult the current Academic Catalog.

Registration Changes After Payment Due Date
If you register or add points to your schedule after September 5, you must remit payment to the Students Accounts Office immediately or face a late payment charge. Refunds of tuition resulting from courses
dropped during the add/drop period or from withdrawals are usually processed by the Office of Student Accounts within one week.

You may review your schedule and bill on TC-Web. If you are on campus, you may request a printed schedule/bill from the Office of the Registrar. You should review your schedule and bill often to ensure that you are registered for the correct courses and that your account is settled.

**Late Payment Penalties**
Failure to clear all account balances may result in two late payment penalties. An initial late payment fee of $50 will be charged on any outstanding balance during the first billing period, and a 1-1/3 percent monthly late payment penalty (16 percent annually) will be assessed on any outstanding balance past due thereafter. In addition, failure to make timely payment of housing charges and fees violates the dormitory agreement and may result in eviction. Unpaid accounts may be referred to a collection agency.

Because there is an overlap between Summer 2008 and Fall 2008 registration periods, please note that TC reserves the right to drop the Fall 2008 registration of any student with an outstanding summer balance.

**Withdrawal From Classes**
By registering for classes, a student has entered into a legal and binding contract to pay all tuition, fees, and penalties charged by Teachers College.

When a student withdraws from Teachers College or from individual classes, the tuition charges originally assessed may be reduced, based on the date of withdrawal. Failure to attend classes does not constitute an automatic withdrawal; students must file an application to withdraw in the Office of the Registrar or withdraw through either the Student Information System or the Touch-Tone System in a timely manner. The percentage of tuition reduction will be determined according to the following schedule:

**Autumn Term 2008**
**Percentage Tuition Refund**

B-4. AUTUMN TERM 2008
HEALTH SERVICES AND STUDENT MEDICAL INSURANCE PLANS

Health Service Fee: All students living in campus housing and all students registered for twelve or more credits residing temporarily or permanently in New York City are required to pay the Health Service Fee. The fee covers primary care, counseling and psychological services, health education, advocacy and services for students with disabilities, support for survivors of sexual assault, as well as the public health services the department provides to the university community. This fee cannot be waived, regardless of insurance coverage. Please make sure to update your local address with the Office of the Registrar upon relocation (if applicable).

Mandatory Health Insurance: All students living in campus housing and all students registered for twelve or more credits residing temporarily or permanently in New York City are required to enroll in the Columbia Student Medical Insurance Plan or carry alternate, comparable insurance coverage.

Insurance Selection: Selection of the Basic or Comprehensive level of the Columbia Student Medical Insurance Plan made in Autumn 2008 will remain in effect until August 31, 2009. Insurance selection can be completed online in the Student Information System: https://info.tc.columbia.edu but not through Touch-Tone Services. The insurance plan is an annual plan and an annual process. Students must re-enroll every fall semester. The deadline to enroll in the insurance plan is Tuesday, September 16, 2008.

Insurance Waivers: Teachers College students may request to waive the Columbia Student Medical Insurance Plan if they carry alternate, comparable insurance coverage that meets Columbia University’s six waiver criteria. Waiver requests can be completed online in the Student information System: https://info.tc.columbia.edu. Please visit the “Important Waiver Information” page on our web site for details: www.tc.edu/studentactivities/health. Insurance waivers submitted in Autumn 2008 will remain in effect until August 31, 2009. The deadline to submit a waiver request is Tuesday, September 16, 2008.

Voluntary Participation: Any Teachers College student enrolled in a degree-granting program may voluntarily enroll in the Health Services Program and the Columbia Student Medical Insurance Plan.

Dependent coverage is available for lawful spouse/same-sex partner residing with the student and for the student’s unmarried children (including stepchildren and foster children) under the age of 19. Students must enroll their dependents directly through Aetna Student Insurance, our insurance plan administrators. Please visit their web site for more information:

IMMUNIZATION REQUIREMENTS

There are two immunization requirements that all new students must meet before the August 1, 2008 deadline:

Documentation of Immunity to Measles, Mumps, and Rubella
All students born after January 1, 1957 are required to provide documentation of immunity to measles, mumps, and rubella. There are several ways to document immunity:

- Provide exact dates of vaccination – 2 doses of measles, 1 dose of mumps, and 1 dose of rubella
- Provide lab results of a positive blood (titer) test for all three diseases
- For measles and mumps only – Provide date of physician’s diagnosis of disease.

Meningococcal Meningitis Vaccination Decision
New York State public health law requires that college and university students receive information from their institutions about meningococcal meningitis and the vaccine that protects against most strains of the disease that can occur on university campuses (see immunization form). Teachers College students are required to make an informed decision about being vaccinated and must formally certify their decision either online in the Student Information System (https://info.tc.columbia.edu) or by using the immunization form found in your admissions acceptance folder.

C-2. INSTRUCTIONS FOR USING
THE SPECIAL PERMISSION/COURSE RESTRICTION OVERRIDE FORM
Please use only one form per course.

STUDENTS:
This form may be used to:
1. Obtain special permission for a course. (Special Permissions can be entered into the TC system by the department)
2. Obtain an override for a class whose enrollment has reached or exceeded the maximum designated by the department.

Have your instructor complete this form by initialing either item #1 or #2 on this form and signing the bottom. Either the academic department or the Registrar can enter override #1 for you. Only the Registrar’s Office can enter override #2.

You must register via TC-Web or the Touch-Tone System once your permission/override has been processed.

INSTRUCTORS:
Please remember that your initials next to line #1 will override any academic restriction on the course, including prerequisite, co-requisite, degree, and/or major restrictions. However, an override on line #1 will not allow a student to register in a full course section; you must specify that you will allow enrollment beyond your course’s enrollment cap by initialing next to line #2. Sign the form in the space at the bottom when complete.

Note to Student: You must register via TC-Web or Touch-tone once the permission/override is processed. Please use only one form per course.

Note to Instructor: Please read this form carefully; granting special approval will allow the student to register, overriding of any academic restrictions. Use your initials as indicated. No form with check marks or “X” marks will be processed.

1. ______ Special Approval: The student has my approval to register for the above-named course. I understand that the student may not have taken prerequisite courses, may not be enrolled in the standard co-requisite courses, and/or may not be in the major program or degree level for which this course is intended. By granting approval, I override any prerequisite, co-requisite, major, and/or degree restriction.* (This permission may be entered into the system by the departmental contact person.)

2. ______ Closed Class Override: The student may register for the above-named course, which has reached or exceeded its enrollment limit as designated by the academic department.

* Prerequisite restriction: Enrollment in course requires previous successful completion of another course.
* Co-requisite restriction: Enrollment in course requires concurrent registration for another course.

E-1. DEFINITION OF GRADES AT TEACHERS COLLEGE

On April 27, 1984, the Faculty of Teachers College approved the following definitions for grades which became effective with the Autumn Term 1984-85.

Grades
Grades at Teachers College are recorded as evaluative, pass/fail, or attendance. All grading symbols used are listed below, as approved by the Faculty on April 27, 1984. Students electing to be graded on a basis other than the one announced by the course instructor must request the option and obtain the Instructor’s written approval no later than the close of the third class meeting. An application for grading options is obtainable from the Office of the Registrar and needs to be filed in the Registrar’s Office no later than the close of the third class meeting. Once the option has been approved and filed with the Registrar, it is not subject to change.

A+ Rare performance. Reserved for highly exceptional, rare achievement.
A Excellent. Outstanding achievement.
A- Excellent work but not quite outstanding.
B+ Very good. Solid achievement expected of most graduate students.
B Good. Acceptable achievement.
B- Acceptable achievement but below what is generally expected of graduate students.
C+ Fair achievement, above minimally acceptable level.
C Fair achievement but only minimally acceptable.
C- Very low performance. The records of students receiving such grades are subject to review. The result could be denial of permission to register for further study at Teachers College. No more than 3 points of C- may be credited toward any degree or diploma. Students completing requirements for more than one degree or diploma may count 3 points of C- toward only one such award.
F Failure. Course usually may not be repeated unless it is a required course. When a required course, the student will re-register and obtain a satisfactory grade. The previous grade remains on the transcript.

** A student who accumulates 8 points or more in C- or lower grades (C- or F) will not be permitted to continue study at the College and will not be awarded a degree or diploma.

P Passed. Some courses are graded only on a pass/fail basis for the instance in which greater evaluation specificity is neither required nor desirable and is used to indicate passing performance when only dichotomous evaluation is used. At no time will the transcript carry any grade (C- or F) will not be permitted to continue study at the College and will not be awarded a degree or diploma.

Doctoral pass credit. Applications are available in the Registrar’s Office. Once the option is approved, it may not be changed. The grade of DP may be assigned only to a certified doctoral candidate who passes a Teachers College course, having successfully completed all requirements prescribed by the instructor. The candidate must request DP credit before two-thirds of the class sessions have met.

Eligibility is determined upon presentation of the doctoral identification card, and a record of the request for a DP grade is made by completing a form obtainable from the Office of the Registrar. DP credit is available to doctoral students only in terms subsequent to the semester in which the student became certified. DP credit may not be used toward M.A. or M.S. degree requirements. A maximum of 6 points of DP credit may be used toward Ed.M. degree requirements.

WD Withdrawn. Withdrawal occurring subsequent to the close of the change-of-program period during the term.

YC Year Course. The symbol “YC” is assigned for the first half of a year course (courses with a “Z” suffix). At the end of the second half, the final grade is entered on the transcript denoting the instructor’s evaluation.

R Attendance Credit. Students desiring R credit for any course must request permission, in writing, from the instructor, before two-thirds of the class sessions have met. The instructor may approve or deny the request. If approval is granted, the instructor may stipulate requirements to be met in addition to regular attendance. Approval forms are available in the Registrar’s Office to be used for obtaining approval. Mathematics majors in the Department of Mathematics and Science Education must have their applications co-signed by the program coordinator.

The applicability of R credit in meeting degree program requirements is noted as follows: For Master of Arts and Master of Science degrees, no R credit is permissible. For Master of Education degree programs, a maximum of 6 semester hours is acceptable in meeting the point requirement but may not be used to satisfy the three-course out-of-the-department requirement. For doctoral programs, a maximum of 9 semester hours is permissible toward the minimum point requirement for the degree provided they are not used to fulfill the minimum distribution requirements.

The above grades are final and may not be changed.

Effective Autumn 2004:

IN Incomplete. The grade of Incomplete is to be assigned only when the change-of-program period has been met but, for reasons satisfactory to the instructor, the granting of a final grade has been postponed because certain course assignments are outstanding. If the outstanding assignments are completed within one calendar year from the date of the close of term in which the grade of Incomplete was received and a final grade submitted, the final grade will be recorded on the permanent transcript, replacing the grade of Incomplete, with a transcript notation indicating the date that the grade of Incomplete was replaced by a final grade. If the outstanding work is not completed within one calendar year from the date of the close of term in which the grade of Incomplete was received, the grade will remain as a permanent Incomplete on the transcript. In such instances, if the course is a required course or part of an approved program of study, students will be required to re-enroll in the course including repayment of all tuition and fee charges for the new registration and satisfactorily complete all course requirements. If the required course is not offered in subsequent terms, the student should speak with the faculty advisor or Program Coordinator about their options for fulfilling the degree requirement. Doctoral students with 6 or more credits of Incomplete included on their program of study will not be allowed to sit for the certification exam.

E-2. FILING APPLICATIONS FOR AWARD OF MASTER’S DEGREE

Candidates completing degree requirements for the M.A., M.S., and Ed.M. degree must file an application for the conferral of the degree in accordance with the deadline dates listed below. (See “Academic Calendar” in the current catalog for late application filing dates which carry a $25 late application fee.) Applications and Renewal-of-Application forms are available in the Office of the Registrar, 150 Horace Mann, during normal business hours, or by telephone and mail requests. Degrees are not automatically awarded.
