Terms and Conditions for the Teachers College Scholarship

- The Teachers College Scholarship is awarded by Enrollment Services and is not a fund awarded by your program/academic department.
- This is a one-time award for new students that **will not renew** in future aid years. Continuing students are ineligible for this fund.
- Any questions regarding your Teachers College Scholarship should be directed to your financial aid liaison, *not* your academic department/program.
- You should expect to **provide additional funds** for the outstanding tuition balance, fees, medical insurance, academic and living expenses that you may incur during the course of the semester.
- **Scholarship(s) may only be applied to the cost of tuition** (NOT including fees, unless otherwise stated) from the fall through summer terms of the specific academic year mentioned in your Financial Aid Award Letter. If necessary, you may contact the Office of Financial Aid to discuss the possibility of adjusting the distribution of your scholarship award(s).
- Scholarship/stipend awards are **not transferable** to another academic year.
- Scholarship awards **do not cover** dropped courses. Any scholarship applied to a dropped course will be reversed, at which point, any outstanding course charges/tuition liability will have to be paid for by another source.
- Should **any revisions** to your scholarship/stipend amount take place over the course of the academic year, you will receive an updated Financial Aid Award Letter.
- If you **transfer** to a different program you may not be eligible to keep the Teachers College Scholarship.
- If you **defer your enrollment** to a future semester or academic year, you may not be eligible to defer your scholarship to a future semester or academic year.
- If you receive a scholarship from an **external funding source** and it exceeds the cost of your tuition charges, you may not be eligible for the Teachers College Scholarship.
- If you are a recipient of a designated Special Scholarship, you will no longer be eligible to receive the Teachers College Scholarship and this fund will be cancelled as a result.
- **Full-time employees** (spouses or dependents) of Teachers College, Barnard College, or Columbia University who are eligible for tuition exemption are not eligible to receive Teachers College scholarships, and are required to notify the Office of Financial Aid Immediately. Awards will be adjusted accordingly.
