A Message from the President

As President of Teachers College, Columbia University, it's my pleasure to welcome you to the nation's first and largest graduate school of education—a place whose founding vision was to bring educational opportunities to all members of society, and whose faculty and students, time and again during more than a century of leadership, have demonstrated the power of ideas to change the world across the disciplines of education, health and psychology.

Our legacy is the work of a long list of thinkers and doers that includes James Russell and John Dewey; Lawrence Cremin and Maxine Greene; Edmund Gordon and Isabel Maitland Stewart; Mary Swartz Rose and Morton Deutsch; Arthur Wesley Dow and William Heard Kilpatrick.

These are people who created fields of inquiry. At Teachers College today, our work is about living up to their legacy by ensuring that we not only build knowledge, but enhance its impact by engaging directly with the policymakers and practitioners who will put it to use. Because of our preeminence, it is both our privilege and our obligation to focus our coursework and our research on the questions of the day in each of the fields we serve. To that end, we favor no ideology or single methodology, but instead seek answers that meet the genuine needs of teachers and other practitioners, and the children they ultimately serve.

Whether you plan to teach, conduct research, serve as an administrator, or pursue a career as a practitioner in health or psychology – or even if you are already active in one of these fields – at Teachers College, you are undertaking a journey that will change your life and the lives of others by unlocking the wonders of human potential.

As you explore this catalogue, I urge you to remember that the education you will receive at Teachers College is as much about the people you will meet – your professors and your fellow students – as it is about the knowledge you will find in books. So as

you join with us in our work, open your hearts as well as your minds. Then will you truly be able to say that you have learned everything you needed to know at Teachers College.

Thomas Bailey,
President
Teachers College, Columbia University

Message from the Provost

Students and colleagues, my warmest welcome as you embark on your journey into the fields of education, psychology and health disciplines. I know that this will be an adventure that extends far beyond the classroom. You join a committed, energetic community of educators, deeply engaged in the work of connecting human lives with opportunities to learn. Thank you for choosing this path in your own life.

I hope you enjoy your studies at Teachers College. This is a place where you can delve into the possibilities of education and its allied fields, not only as a tradition or a profession but as a way of being in the world. We see education and life as vitally interconnected. This means that you – your roots as a person, your vision as an advocate of human development, your drive to change the world – matter to us greatly as we develop our programs, degrees, and services.

So who are we as an academic community? We are many things, in fact, and must be, because we believe in freedom of inquiry and rigorous peer-reviewed research and teaching at the highest levels. But let me add that we stand especially for the value of inquiry-based teaching and learning. We strive to cultivate self-discovery and life-enhancing experiences for learners at all levels and ages. Working from within one of the world's greatest research universities, we make good use of the knowledge generated from science, social sciences, humanities and the arts to expand human capacity to learn and create. We also believe strongly in conducting our work in authentic partnership with the communities around us, because what we do at Teachers College is first and foremost about helping real people in the real world.

New York City is an exceptional place to study the fields we represent at Teachers College. Let me be blunt about this because it is so important. This place is not quite like any other, and you need to come here and work with us to realize the potential. Our working environment, in every dimension, reflects both the problems and opportunities of this civilization in their most intense and concentrated form. If you can engage the human prospect here, joining us as educators to imagine and create what might be possible to achieve with such magnificent human complexity, your work and ours will be of national and global significance.

Teachers College is diverse and we are proud of it. Along with the human diversity of our faculty and students, we are also a big-hearted place in our understanding of education and human development. Equity and opportunity are at the heart of everything we do. I use the term “education” as it has always been understood at TC, in its broadest sense, to include all the disciplines we embrace, from the preparation of classroom teachers, early childhood specialists, counselors and school psychologists, music and arts educators, to nursing educators, nutritionists, higher and adult education, and much more. Indeed, we are interested in all the fields of learning that bear on the well-being of students, families, schools and communities.

Above all, Teachers College is a place where these disciplines talk with one another. We are a community that welcomes difference, a place that fosters dialogue and respectful interplay among diverse and sometimes divergent points of view. You can find your intellectual home here and here is your launching pad for a productive career in education and related fields. Let's get to work!

About the Application Process

Teachers College is a graduate school of education. Applicants may apply to only one program per term (Summer, Fall, and Spring).

A complete list of available programs, degrees, and entry terms can be found at www.tc.edu/programs.

All admission decisions are final. Specific details regarding an applicant's admission decision are confidential and not shared with anyone external to the admission committee.

Degree-seeking students may be considered for a variety of financial aid options including scholarships, fellowships, grants, federal aid, and student employment. Aid is not guaranteed.

The Office of Financial Aid is committed to guiding students through the process of identifying and securing the financial resources necessary to attend Teachers College. Visit www.tc.edu/financialaid for more information.

How to Apply

Applicants

The Teachers College scholarship application is embedded in the application for admission. Applicants who wish to be considered for scholarship aid should complete and submit the application for admission by the published deadline(s). See www.tc.edu/programs for deadline dates. The scholarship application is a one-time application that does not need to be renewed or resubmitted each year of a student's matriculation.

Applicants who wish to be considered for federal financial aid must submit the Free Application for Federal Student Aid (FAFSA).

Continuing Students

Continuing students are not required to complete a new scholarship application each year, as the one on file will be used-if necessary. However, continuing students seeking federal aid must file the FAFSA for each year that they wish to be considered for federal loans or work study funds.

How Aid is Awarded

New Students

New students who completed the scholarship application and submitted their application for admission by the posted deadline will be considered for scholarship funding upon admission to Teachers College. Students who are recipients of the Teachers College Scholarship will be notified of the award shortly after admission via email directing them to their official award letter in the student portal.

Other sources of funding, such as endowed scholarships, fellowships, and grants, may be awarded on a rolling basis. Students who receive additional funding will receive a revised financial aid award notification.

New students will be notified of their federal aid eligibility within two weeks of submitting their FAFSA, or upon admission to Teachers College if they submitted their FAFSA prior more than two weeks prior to admission.

Continuing Students

Financial Aid award notifications for continuing students will be released beginning in May prior to the upcoming academic year. Students may view their financial aid award in their student portal.

The Office of Financial Aid may make changes on a student's existing financial aid award package throughout the academic year (due to enrollment changes, withdrawals, etc.). If a change occurs, the student will be notified promptly via email.

Disbursement

Scholarship funding will be applied to the student account at the beginning of each term, while federal financial aid will be applied following the end of the add/drop period. For more information about federal loan eligibility and disbursement, see the Federal Financial Aid Programs section below.

Tuition, fees, account charges, and refunds are processed by the Office of the Bursar. For more information, visit www.tc.columbia.edu/bursar.

Scholarships, Fellowships, and Grants

Institutional Scholarships

Students who are first-time applicants to a master's-level program of study may be considered for institutional scholarships based on the TC scholarship application. Continuing students may also be considered for other institutional scholarships.

Teachers College also offers special scholarships for new applicants to master's programs. For more information, visit www.tc.columbia.edu/admissions/financial-aid/financial-aid-sources/scholarships.

Endowed Scholarships

Endowed scholarships are provided through the generosity of donors' contributions. Some of these funds are in support of students in particular programs, while others are available to students across a variety of programs.

Fellowships and Grants

Fellowship awards are based on scholastic ability and potential for academic and professional achievement. Grants may be merit- and/or need-based according to each program's specific requirements. For more information, visit www.tc.columbia.edu/admissions/financial-aid/financial-aid-sources/fellowships-and-grants.

Graduate Research/Teaching Assistantships

Students who are employed as graduate research/teaching assistants earn salary plus a tuition scholarship. Students may be awarded up to 3 points per semester, with a maximum of 9 points per academic year (Fall, Spring, Summer). Points may only be used during the semester in which a graduate research/teaching assistantship is awarded. For more information, visit www.tc.columbia.edu/admissions/financial-aid/financial-aid-sources/assistantships.

Terms and Conditions

There are terms and conditions associated with scholarships awarded by Teachers College. For details, visit www.tc.columbia.edu/admissions/financial-aid/financial-aid-sources/scholarships/terms-and-conditions.

Fellowships, grants, and graduate research/teaching assistantships may have separate criteria that students need to meet in order to gain and maintain eligibility. For more information, visit www.tc.columbia.edu/admissions/financial-aid/financial-aid-sources.

Federal Financial Aid Programs

Federal Loans

Teachers College offers the Federal Direct Unsubsidized Loan and the Federal Direct Graduate PLUS Loan. Please note that the Federal Perkins Loan is no longer offered at the graduate student level.

As per federal regulations, students who seek federal aid are provided a Cost of Attendance (COA) budget that consists of estimated tuition, fees, and other expenses. The COA budget can be adjusted based on full-time, three-quarter time, and half-time enrollment. If enrollment plans change during the academic year, students should notify the Office of Financial Aid to adjust their Cost of Attendance and federal aid award package. Students who will be enrolled in less than an academic year (i.e., single-term student) will have loan eligibility reflective of their period of enrollment.

Students may be offered federal loan aid less than the annual COA budget if they receive other forms of financial aid (scholarships, grants, etc.) that are being used to cover a portion of the COA budget. For more information about federal student loans at Teachers College, visit www.tc.columbia.edu/admissions/financial-aid/financial-aid-sources/federal-student-loans.

Students who wish to accept and utilize their federal loan offer must complete a Master Promissory Note and entrance interview. Students are encouraged to complete the FAFSA as soon as it is available through www.fafsa.ed.gov. In order for federal aid to be processed in a timely manner, students should begin the loan acceptance process three to four weeks in advance of the beginning of the semester.

For students who are enrolled in the Fall and Spring semesters, federal loans are disbursed after the last day of add/drop. During the Summer term, federal loans have a different disbursement schedule depending on the student's registered summer session(s). In order for the student to receive federal aid disbursements, they must meet the following criteria on the scheduled disbursement date(s) and thereafter:

1. Registered for at least half-time status each semester
2. Completed an entrance interview
3. Completed a Master Promissory Note
4. Completed verification of income and identity, if required

For more information about federal student loans, visit <https://studentaid.ed.gov/sa>.

Federal Work Study

Federal Work Study (FWS) is a need-based federal financial aid program that provides job opportunities to eligible Teachers College students. Applicants are encouraged to submit the FAFSA as early as possible in order to ensure consideration for a work study award.

FWS allow awardees to earn hourly wages that help cover education-related expenses. The amount of FWS that appears on the Financial Aid Award Letter is not a guarantee of total wages to be earned. Rather, it is a maximum limit on the amount of FWS funds a student may earn should they choose to participate in the program. Students are paid only for actual hours worked.

Placement in an FWS position is contingent upon the availability of jobs and funding, as well as on a student's skills, experience, and schedule. For more rules and regulations, visit www.tc.columbia.edu/admissions/financial-aid/financial-aid-sources/federal-work-study.

Eligibility

To be eligible for federal financial aid, applicants must meet each of the following criteria:

- Be a U.S. Citizen or Eligible Non-Citizen
- Be enrolled in at least 6 points per semester in a degree program
- Make Satisfactory Academic Progress toward their degree
- Not have been convicted of any offense under federal or state law involving the possession or sale of a controlled substance
- Register with the Selective Service System, if they are male
- Not be in default on a loan or owe a payment of federal funds

All applicants are encouraged to file a FAFSA, regardless of eligibility for Federal Aid. Students can find and file the FAFSA online at www.fafsa.ed.gov. The Teachers College institutional code is **G03979**.

After filing the FAFSA, students will receive a Student Aid Report (SAR), which must be reviewed for accuracy and corrected if necessary. If there are questions, contact the Office of Financial Aid. Students may also be required to submit copies of their federal tax returns and other supporting documents to verify the information on the FAFSA.

The information provided on the FAFSA is applied to a federally designed formula which calculates the "Estimated Family Contribution"—the theoretical amount the student should have available for educational costs. The cost of education minus the family contribution is "need." The total amount of need-based aid cannot exceed this figure.

Normally, the need calculations are based on data from the prior calendar year. Students who wish to inquire about the effect of a change in their financial circumstances on their federal financial aid should contact the Office of Financial Aid.

Maintaining Federal Student Aid Eligibility

All students requesting and receiving federal student aid must meet and maintain the following criteria:

- Be enrolled as a matriculated student in an eligible program
- Make Satisfactory Academic Progress*
- Meet enrollment status requirements
- Have resolved any drug conviction issue

Failure to meet the above requirements may result in the loss of federal student aid eligibility. Students will need to present proof of resolution to the Office of Financial Aid before aid can be offered or disbursed. Please contact the Office of Financial Aid for more information.

**Satisfactory Academic Progress:* In order to maintain eligibility for aid, students must make satisfactory progress toward their degree. In addition to meeting all standards of academic performance required in the program, students must maintain a minimum of points per semester in order to remain eligible for student aid. For more details about this policy, see www.tc.columbia.edu/admissions/financial-aid/sap-policy.

Return of Title IV Funds

This policy applies to students who complete 60% or less of the enrollment period (i.e., Fall, Spring, or Summer session) for which they received Federal Title IV aid. A student who drops a class but still completes one or more classes does not qualify for the Return of Title IV Funds policy. The term “Title IV aid” refers to the following federal financial aid programs: Federal Direct Unsubsidized Stafford loans, Federal Perkins loans, Federal Direct Graduate PLUS loans, and the Federal TEACH Grant.

To conform with the policy, Teachers College must determine the student’s withdrawal date. The withdrawal date is defined as: 1. the date the student began the withdrawal process or officially notified Teachers College of their intent to withdraw; or 2. the last date of attendance at an academically-related activity by a student who does not notify Teachers College.

The calculation required determines a student’s earned and unearned Title IV aid based on the percentage of the enrollment period completed by the student. The percentage of the period that the student remained enrolled is derived by dividing the number of days the student attended by the number of days in the period. Calendar days (including weekends) are used, but breaks of at least five days are excluded from both the numerator and denominator.

Until a student has passed the 60% point of an enrollment period, only a portion of the student's aid has been earned. A student who remains enrolled beyond the 60% point is considered to have earned all awarded aid for the enrollment period.

Other Sources of Aid

Private Loans

There are several student loan programs administered by private institutions that provide funds to students who do not qualify for federal or need-based loans, or who may need additional funding. They are often available from banks, require a credit check, and in some cases, a co-signer and processing fee. Securing a co-signer may result in lower interest on the loan. For information on private loans, visit www.tc.columbia.edu/admissions/financial-aid/financial-aid-sources/private-loans.

Student Employment

Opportunities for student employment are available at Teachers College, including the Federal Work Study program and different types of graduate assistantships. Students should visit the Teachers College Human Resources website at www.tc.edu/hr to review job vacancies. In some instances, positions may be eligible for tuition exemption or scholarship points.

Registration Information

Registration Procedures

Students seeking course credit must be admitted by the Teachers College Office of Admission. For details, please refer to the section on Admission. Former Teachers College degree students who wish to pursue a degree program and have not met the requirements of the continuous enrollment policy must apply for re-admission in the Admission Office well before the registration dates.

Course registration may be completed online via myTC. Limited in-person registration is available during dates announced in the Academic Calendar.

Teachers College Student Information System

All students are expected to register via the web through the Student Information System on myTC. It is the responsibility of each student to obtain advisement and approval for their course selections from their academic advisor prior to registering. Registering for classes that your advisor has not approved can seriously compromise your ability to fulfill degree requirements and may have unintended financial consequences. Students must also obtain permission from the course instructor for any course listed in the Schedule of Classes that requires instructor approval. Students may connect to the Student Information System through the TC portal myTC. Instructions for registration are available in the Registration Information Section in the Schedule of Classes for each term.

Whenever course enrollment has been entered in the registration system, the student is responsible for payment of the assessed charges unless the student follows the procedures for a change of program as outlined in the Schedule of Classes and in accordance with the dates listed in the Academic Calendar. Failure to attend a course does not constitute an automatic withdrawal. (See section on Changes in Registration and Withdrawal.)

Each registrant is expected to assume a major responsibility in program planning. A careful study of the general degree requirements and maximum point loads outlined in this Catalog, special departmental bulletins, and advisory recommendations should be taken into consideration.

Teachers College students must have written permission of the Registrar before registering in any program or institution outside the College. Additionally, students are not permitted to be enrolled concurrently in two degree programs or schools within the University or the College.

Maximum Point Loads

The number of points (credits), a point being the equivalent of a semester hour that a course carries per term, is given on the course schedule. No more than 9 points may be taken during a summer session and no more than a total of 16 points in the summer term. No more than 18 points may be taken during the fall or spring term; students who hold full-time positions are discouraged from enrolling for programs in excess of 8 points each fall and spring term.

Certification of Part-Time/Full-Time Attendance

Enrollment status certification is based upon the number of points for which a student is registered per term. During the fall, spring and summer terms, "full-time" status is accorded to students registered for 12 or more points per term. Students enrolled for fewer than 12 points (0–11 points) are considered "part-time." "Half-time" status is based on enrollment of 6–11 points per term. Students registered for fewer than 6 points are accorded "less-than-half-time status." During the summer term, enrollment status is determined by the cumulative number of points in both Session A and B. For "full-time" status, students must register for a combined load of at least 12 points, with no more than 9 points in one summer session. Full-time status is accorded to students registered for CCPJ6460, CCPX6430, HBSK6480, or HBSK5480 as well as students registered for doctoral dissertation advisement (_8900 courses) and Ph.D. Dissertation Defense (TI8900).

Students taking fewer than 6 or 12 points in a term may be certified as full-time or half-time if they have an approved Certificate of Equivalency (COE) form. A Certificate of Equivalency is only approved when a student is working on an academic activity that is directly related to a student's degree program. The form is available from the Office of the Registrar and must be recommended by the student's advisor and approved by the Registrar. A Certificate of Equivalency is only granted for activities that are directly related to the degree program and satisfy a requirement for the degree program. No student will be certified for full-time, half-time, or part-time status unless he or she is enrolled for that term in some form and, if necessary, has filed a Certificate of

Equivalency in the Office of the Registrar during the first two weeks of the term. Doctoral students may check with the Office of the Registrar regarding personal exemption or waivers. Students cannot be certified for future dates of attendance.

Change in Registration and Withdrawal

Notice of any change in your registration, including adding/dropping courses, changes of points in variable point courses, or of total withdrawal from the College, must be given to the Registrar in writing or completed through the online registration system. Instructions for changes in registration and withdrawal through the Student Information System are outlined in the Registration Information section in the Schedule of Classes or may be obtained from the Office of the Registrar.

The last date for changes in registration is indicated in the Academic Calendar. After this deadline, courses may not be added, but a partial refund of tuition fees for withdrawal from courses may be authorized by the Registrar. Fees are not subject to this reduction. Reduction of tuition based on a sliding scale is calculated from the day the Registrar receives written notice from the student or the withdrawal is processed through the Student Information System. The sliding scale is outlined in the Registration Information section in the Schedule of Classes on the TC-Web for each term.

The deadline for making changes in points in variable-point courses will extend until the class has met four times; dates are indicated in the Academic Calendar.

Courses with special dates must be dropped before the course begins to receive full tuition credit. There is no reduction of tuition for special-date classes once the course begins or for fee-based courses in art, music and dance after the close of the change of program period. Students who have registered for workshops must withdraw from a workshop prior to the beginning of the workshop. No tuition rebates will be granted for a workshop once it has begun.

Students who are deficient in their attendance or who perform their class duties unsatisfactorily may be required at any time to withdraw from a course, upon recommendation by the course instructor to the Registrar; in extreme cases, this may mean withdrawal from the College.

For grading symbols covering withdrawals, see Grades.

Tuition and Fees

Tuition

Tuition and fee rates are set annually by the Teachers College Board of Trustees. In the 2018-2019 academic year, tuition for all regular courses is \$1,635 per point. Non-credit courses vary in rate, usually depending on the minimum number of points for which the particular course is offered and the special services provided.

Columbia University's tuition is assessed at a per-point or flat rate determined annually by the University's Board of Trustees. Each school's rate may vary. Check the Office of the Registrar's website for the current tuition rates at Columbia and other affiliates.

Total tuition and fees are determined based on the number of points for which the student has registered. All tuition and fees (registration, service, workshops, and all miscellaneous related expenses) charged are due and payable in full on the opening day of the semester or on the official published deadline date. Registrations submitted after the published due date are due upon registration.

Payment Options

Various forms of payment are accepted for tuition and fees and may be used individually or in combination. Teachers College accepts checks, money orders, and cash. A deferred payment plan, employee tuition exemption, third party billing agreements, and financial aid are also available to finance a Teachers College education. Some restrictions may apply.

eCheck

Tuition can be paid online directly from a personal checking or savings account drawn on a U.S. bank. An eCheck payment will appear on your monthly statement as **Teachers College Epayment**. There is no fee to pay by eCheck. Online payments can be made by accessing the myTC Portal at: <http://my.tc.edu>. Returned checks are assessed a return-check fee and subject to collection fees, if necessary. After three returned check payments, no further personal checks will be accepted.

International Wire Transfers

International students may pay their student account using international wire transfers. Students can generate a Western Union international wire transfer payment request on the myTC ePayment site in their home currency, in most cases.

The benefits include:

- Teachers College and Western Union will not charge a fee for wire transfers.
- (NOTE: your bank may charge an encounter fee for wire transfer payments)
- Competitive exchange rates valid for 72 hours.
- Automated posting of wires to your student account when payments are received.

To learn more visit our <http://www.tc.columbia.edu/bursar/payments/international-wire-transfers/>

Checks or Money Orders

Must be made payable to Teachers College. These types of payments can either be submitted in person, placed in the drop box, or mailed to the Office of the Bursar: 525 West 120th Street, Box 305, New York, NY 10027. The drop off payment box is located at the door of the Office of the Bursar, Thompson Hall Room # 133. Do not place cash in this box. Please write your student identification number and a valid daytime telephone number on the face of the check or money order. Returned checks are assessed a return-check fee and subject to collection fees, if necessary.

Cash Payments

Must be made in-person at the Office of the Bursar, 133 Thompson Hall. During the academic year, the Office of the Bursar staff is available Monday through Thursday 9:00am until 6:00pm and Friday 9:00am until 5:00pm. (Please note, during the Summer, the Office of Bursar will close at 5:00pm Monday through Thursday and 3pm on Friday). For payments that include more than \$10,000 in cash, IRS Form 8300 must be completed at the cashier's window.

Online Deferred Payment Plan

Students may choose to participate in the Online Deferred Payment Plan during the fall and spring semesters only (plan is not available for summer sessions). The Online Deferred Payment Plan allows students to spread the term tuition, fees, and housing charges less any aid disbursed, over three equal installments during the semester. An online agreement between the student and Teachers College must be electronically completed on the MyTC Student Information System Portal. A \$50 fee is required to participate in the plan and the first installment plus the \$50 fee is due at the time the student electronically signs the agreement. Installment dates are listed below:

Fall 2018

First Installment Due

September 7, 2018

Fall 2018

Second Installment Due	October 8, 2018
Third (Final) Installment Due	November 8, 2018

Spring 2019

First Installment Due	January 25, 2019
Second Installment Due	February 18, 2019
Third (Final) Installment Due	March 18, 2019

Failure to remit payment, as scheduled, in the Deferred Payment Plan will result in the assessment of a late payment penalty of 1 1/3 percent on any unpaid balance.

Tuition Exemption—Students employed at the University may be eligible for tuition exemption. Human Resources must authorize tuition exemption forms with a valid HR personnel signature. Authorized Tuition Exemption forms must be submitted in person no later than the last day to add/drop courses for each term. If a student registers late, payments including tuition exemption forms are due at the time of the late registration. Various fees including, but not limited to, course fees, college fees, health service fees, medical insurance, and late registration fees are not covered by tuition exemption. The student should be prepared to remit payment for these fees on the official tuition due date.

Third Party Agreements—Students enrolling under a third party agreement must submit an authorization form to the College for approval each term/semester. A third party is usually an outside agency (not an individual) that agrees to pay all or part of the charges incurred by a particular student. The authorization form must include the student's name, relevant semester(s), and the total amount of tuition and fee charges that the third party is willing to pay. The form must be signed by an official of the third party agency. A third party agreement between the College and the agency must be completed each term/semester before the start of the term/semester.

Financial Aid—If all required applications and documentation have been filed with the Office of Financial Aid by the required deadline, financial aid awards should be available at the time of registration. Since tuition and all fees are due at the time of in-person registration, late payment penalties will be assessed on any outstanding balance as described under the Late Payment Penalties section of this bulletin. For further information about financial aid, review the section entitled Financial Aid.

Withdrawal from Classes

By registering for classes, a student has entered a legal and binding contract to pay all tuition, fees, and penalties charged by Teachers College.

When a student withdraws from Teachers College or from individual classes, the tuition charges originally assessed may be reduced, based on the date of withdrawal. Failure to attend classes does not constitute an automatic withdrawal; students must withdraw through the Student Information System on myTC Portal or request withdrawal by contacting the Office of the Registrar. Fees are not subject to rebate. The percentage of tuition reduction will be determined according to the withdrawal schedule.

In addition, New York State requires all students to provide documentation of their decision to be immunized against meningitis within 30 days, opt not to be immunized, or provide documentation that they have received the meningitis vaccination within the past 5 years. The meningitis vaccination is not required for attendance; however, completion of the meningitis response form is mandatory and can be submitted electronically via the myTC portal. Both the meningitis response and the required immunization form, which is available on the Admitted Student website, is to be completed and submitted to Insurance and Immunization Records prior to the first day of class.

During private consultations with peer advisors, writers have the opportunity to focus on different aspects of the writing process. The types of assistance often sought include support with brainstorming, organizing, drafting, and revising. The Graduate Writing Center also offers workshops throughout the year on topics such as academic writing, concept mapping, outlining, and researching and writing literature reviews. The mission of the Graduate Writing Center is to support visitors' development as writers, rather than serve as a proofreading or editing service.

For more information please contact the Graduate Writing Center at (212) 678-3789 or email writingcenter@tc.edu.

Housing at Teachers College

Residential Services At Teachers College

The Office of Residential Services extends a warm welcome to you as you consider joining our residential community.

The Office of Residential Services at Teachers College, Columbia University, complements the institutional mission of the College by striving to provide housing that is convenient, clean, and safe for campus residents, their families and guests. The department is committed to creating a stimulating, inclusive, and caring environment that supports the out-of-classroom experience and enhances intellectual, personal, and professional development. We collaborate with other campus departments to meet the unique needs of our graduate student population and provide uncompromising quality, innovation, and continuous improvement in a multicultural community.

Teachers College has approximately 650 spaces available for single students and 75 apartments for students with families. Bancroft, Grant, Sarasota and Whittier Halls are historic buildings similar to other early 1900's New York City apartment-style buildings. Our newest building, 517 West 121st, opened in the fall 2004 semester, and Bancroft was renovated in summer 2015.

Eligibility for Housing

In order to be eligible to live in student housing, students must be enrolled in a degree program at Teachers College and registered for 1 billable credit during the fall and spring semesters. To maintain eligibility to renew the housing contract past mid-May, residents must be enrolled and registered for a minimum of 9 credits or equivalent each semester (fall and spring). Two-thirds of each semester's credits (6 points per term) must be billable (i.e. not Certificates of Equivalency). Semester courses that are defined by the Registrar as full-time, qualify a resident for full-time status.

Housing Contracts extend for one calendar year, beginning with the summer term. Residents beginning occupancy in the summer must be enrolled and registered for a minimum of 1 billable credit during the respective summer term. Any resident who renews their contract is not required to register for summer sessions and may remain in the residence hall, but must re-enroll for the upcoming fall semester and live in Teachers College housing for the upcoming fall semester.

To remain eligible for summer housing if a resident is vacating in the summer (at the conclusion of Summer A or Summer B) the resident must be enrolled for the summer or have documentation from the College demonstrating an affiliation with the College during the summer. If the resident is teaching in public schools or has dependents in public schools, the resident is permitted to remain in housing until the conclusion of Summer A.

Full-time employees of Teachers College are not eligible for on-campus housing. Residents who become Teachers College full-time employees are not eligible for Teachers College housing, and will be required to vacate Teachers College housing at end of the current contract period.

When to Apply for Housing

Housing offers are based on availability of units, geographic priority, and date of receipt of application. Applicants outside a 30-mile radius of the Teachers College campus have the highest priority for housing. To complete an application you should visit our website at www.tc.edu/housing and complete our online housing application.

An application for housing can be submitted as soon as a Teachers College applicant is admitted. It is recommended to apply as early as possible. Housing applications will only be considered active once the admissions deposit has been paid. Unfortunately, given the limited number of spaces available, we may be unable to accommodate all requests for housing.

Housing Assignments

Students will be notified by the Office of Residential Services of their housing status at the beginning of each round for that application period. Notification that a housing space is available will be accompanied by instructions about how to select an available room and sign the housing contract, which is done through the myTC portal. A non-refundable \$750 reservation fee is required to hold the space. This fee will be credited to a student's account upon move-in, and may be used to pay for the semester housing charges.

There is a transfer period twice per year in which students may request a change of assignment. Students may choose to exercise the transfer option if they are unsatisfied with their original assignment.

Applications will be processed beginning (dates approximate):

- *May 15th: Fall Term*

- *November 15th: Spring Term*
- *March 15th: Summer A Term*
- *April 15th: Summer B Term*

Once offered an assignment in Teachers College housing, the housing application may not be deferred to another semester. Hence, the applicant would need to submit a new housing application and fee for the desired semester. The Office of Residential Services must be notified via e-mail if a student decides to defer an application. A housing application may be deferred for a maximum of one year, provided an assignment was never offered.

Important Information

- Students may submit an application for housing once they are admitted, even if they have not yet paid their admission deposit. No offer for housing, however, will be made until students have paid the Admission deposit, as established by the Office of Admission.
- Individuals interested in summer-only housing should visit our website at www.tc.edu/housing for a Summer Conference Housing application.
- Students are responsible for notifying the Office of Admission (if an incoming student) or the Office of Registrar (if a continuing student) of any changes in mailing address, telephone number, and/or email address.

Single Student Housing Info

Three buildings are available for single-student housing. They are Bancroft Hall, Whittier Hall and 517 West 121st.

Bancroft Hall is located at 509 West 121st Street. It was constructed in 1910 and completed a full renovation in 2015. There are three types of housing options for single students in this residence hall, including one-bedroom apartments and shared apartments (two and three bedrooms). All assignments include a private bedroom. Room sizes vary in all accommodation types.

Whittier Hall is located at 1230 Amsterdam Avenue (at the corner of 120th Street) and was constructed in 1901. There are several different types of housing accommodations offered in this residence hall. All assignments include a private bedroom. Room sizes vary in all accommodation types.

In the single rooms, kitchen and bathroom facilities are shared by approximately 20 students. Suites are self-contained units with three to six private bedrooms. Residents of suites share a kitchen, bathroom, and common area. Studios, one- and shared-two-bedroom apartments all have a private bathroom and kitchen. Microwaves are provided for students in suites, studios, and one- and shared-two-bedroom apartments. A microfridge (a microwave attached to a refrigerator unit) is provided in the single rooms.

517 West 121st opened in the fall 2004 semester. The building contains 252 units. Some have private kitchenettes, while most units share community kitchens which are distributed throughout the building. The efficiency units are approximately 200 square feet in size, and each one contains a private bathroom.

All single student housing units are fully furnished. Residents must, however, provide their own linen, cooking utensils, and other household items. All units come with cable TV service, and wired and wireless internet.

Online Services

The library's online site, accessible from the Teachers College homepage, is the focal point for a growing array of library services that support instruction and research at the College. The website combines news and information, access to local and remote databases, and exhibits that showcase the accomplishments and contributions of notable Teachers College persons and programs, particularly as they relate to or are reflected in library collections and archives. Through advances in electronic information resources and global networks, library users have access to an extensive virtual library, providing the means to search and retrieve a growing percentage of the universe of documents and files. The online public access catalog integrates the library's

catalog information with up-to-the-minute circulation, reserve, acquisitions, and serial control information.

Russell Hall Services

In addition to access to print and electronic collections in Russell Hall, the library provides reserve readings, reference materials, research support, library instruction services, including course-specific instructional support, and assistance in the use of hundreds of online information resources. In addition, the library staff regularly makes use of interlibrary loan and special purchases to provide access to materials not in the library collections.

The library building, Russell Hall, includes individual and group study rooms, wireless internet access, and a full program of events throughout the year. The Library regularly hosts seminars, book talks, musical performances by members of the Teachers College community, and other events. The Library Café at the library entrance offers beverage and snack services during library hours. The Smith Learning Theater on the fourth floor of Russell Hall offers a state-of-art venue for complex teaching, learning, and research activities that combine physical settings, digital components, and content in diverse forms and formats.

EdLab Tools

The EdLab at the Gottesman Libraries develops tools and materials to support learning at the College and beyond. A single EdLab account provides access to all tools and resources for both members of the Teachers College community and their friends and colleagues not at Teachers College. Sign up for an EdLab account at the EdLab homepage and begin using a growing suite of tools.

Teacher Education

Programs

Teachers College offers a wide variety of educational experiences for students at the preservice and in-service levels. Programs are field-based, offering practica, internships, and student teaching. Departments offer, for qualified holders of a bachelor's degree, programs that lead simultaneously to a master's degree and to eligibility for New York State certification for teaching in elementary or secondary schools, as well as for specific subjects and to special populations (see sections below on additional New York State Department of Education (NYSED) requirements for initial teacher certification). Some

of these programs also offer New York State teacher certification with a bilingual extension. The programs typically require a minimum of an academic year and a summer term to complete degree requirements. Applicants need not have included courses in education in their undergraduate programs, but inadequate preparation in the proposed teaching field may necessitate additional coursework to meet admission, certification or graduation requirements.

For a complete list of teacher preparation programs, please go to: <http://www.tc.columbia.edu/admissions/areas-of-study/teacher-education-and-teacher-certification/>

Office of Teacher Education

The Office of Teacher Education (OTE) offers many services at Teachers College, including conducting professional development workshops, providing information regarding certification, offering information sessions on New York State Teacher Certification Exams, and supporting students with student teaching requirements. Most importantly, OTE oversees and manages the certification process, recommending candidates for certification once all institutional and NYS requirements are met.

Student Teaching and Observation

Candidates for initial certification must complete a student teaching experience. This experience may be at one or two settings, based on requirements set by NYSED and the student's TC teacher education program. The student teaching experiences are structured to enable each student teacher to gradually develop pedagogical competence and skill, and typically begin with observation of an experienced cooperating teacher followed by incremental assumption of responsibility as the term progresses. The College provides on-site supervision so as to ensure that students are well-supported during this component of their teacher preparation program.

Student teachers are required to obtain a clearance letter before commencing student teaching and to carefully review the "Student Teaching Handbook." A general orientation to student teaching is offered by OTE in the beginning of each semester. Please go to the "Student Teaching" tab of our website at www.tc.edu/ote for a full list of workshops, packets, and handbooks. Hard copies of all items are also available at the Office of Teacher Education in Zankel 411.

New York State Certification

Teachers College has an array of programs which, upon successful completion lead to an institutional recommendation for New York State Certification at the initial or professional level. Students enrolled in programs that lead to New York State Certification are responsible for becoming knowledgeable about New York State Certification requirements and regulations. ***The New York State Education Department (NYSED) mandates teacher the certification requirements that are needed for program completion and graduation. These requirements are listed below.***

General Core in Liberal Arts and Sciences. NYSED requires that all students seeking initial certification complete coursework in Mathematics, Science, English, History, and Foreign Language. The number of credits that candidates must complete in these areas varies, depending on certificate title and grade level. These requirements must be satisfactorily met prior to degree conferral. For more information about these General Core Liberal Arts and Sciences requirements, please contact the Office of Teacher Education at 212.678.3502 or go to the Office of Teacher Education Website at www.tc.edu/ote. NYSED requires that all students seeking professional certification hold a valid New York State comparable teaching certificate in the same teaching certificate title and grade level. This requirement must be met prior to degree conferral.

Content Core. NYSED specifies general Content Core requirements according to the certification area. For example, students in the MA program in Mathematics that leads to initial certification (7-12) are required to be Mathematics majors at the undergraduate level or hold 30 credits in pure mathematics. For more information about these content core requirements, please refer to the NYSED website <http://www.highered.nysed.gov/tcert/>, the Office of Teacher Education Website at www.tc.edu/ote or call the OTE Office at 212.678.3502.

Peace Corps Fellows Program

The Peace Corps Fellows Program recruits outstanding Returned Peace Corps Volunteer educators who are passionate about making long-term commitments to teach in New York City's public schools. Since 1985, the program has recruited and prepared more than 750 urban educators. As the Paul D. Coverdell Fellows (formerly Fellows/USA) flagship teacher preparation program, we provide full scholarships covering all tuition expenses. Upon completion of our 13-week Intensive Summer Institute, new Jaffe Peace Corps Fellows teach full-time as salaried teachers of record in NYC public schools for a minimum of three years. All related Master's degree requirements are completed at Teachers College within two to three years. We prepare teachers for a variety of grade levels and subject areas. For more information, please review the Program website www.tc.edu/pcfellows or call 212-678-6622.

Teacher Opportunity Corps (TOCII)

The Teacher Opportunity Corps (TOCII) program is a New York State Education Department grant funded program designed to increase the number of New York State teachers from underrepresented backgrounds. To be eligible for TOC II at TC, candidates must be New York State residents who are enrolled in a TC teacher education program that leads to certification. Participants are provided with tuition assistance for coursework at Teachers College in addition to a generous travel stipend. All participants engage in a 10 month internship from September-June at one of our local partnership schools, seminars with renowned TC faculty who are committed to culturally sustaining pedagogies, and professional development opportunities that suit the needs and inquiries of the TOC cohort.

Teaching Residents at Teachers College (TR@TC2)

This 18 month intensive, full-time program prepares teachers for public, high-need, urban schools in New York City. With support from the U.S. Department of Education, the Teaching Residents at Teachers College (TR@TC2) program was developed to ensure that teaching residents receive extraordinary preparation and multiple supports, while enrolled in a Master's degree program leading to initial NYS teaching certification. Teaching Residents receive a stipend and a generous scholarship; upon graduation, students benefit from induction support for at least two years, while they fulfill their commitment to teach in a high-need urban school in New York City for a minimum of three years. For more information please visit: www.tc.edu/teachingresidents.

Computing and Information Services

Computing and Information Services (CIS) is a consultative information technology organization responsible for academic and college technology. These services include:

1. Application development and operations
 1. Cloud services
 2. High performance computing (HPC)
2. Classroom technology and event audio visual services
3. Network infrastructure including data, voice, video, wired and wireless networks.
4. Service Desk for students, faculty, and staff
5. Computer labs, video production studios and post production.

The Policy on Acceptable Use of Information Technology Resources at TC is listed on the Policies and Procedures Section of this catalogue and can be found online in the Teachers College Policy Library.

Email Accounts

Teachers College has established email as the official means of communication with students. Students are required to activate their Columbia University Network ID (UNI) and should follow the Checklist for New Students .

The UNI is also required to log into computers in the student labs, student lounge, and kiosks located in the halls of Teachers College and the myTC portal. The myTC portal also includes access to Columbia libraries and databases, course management systems and TC Apps. TC Gmail accounts are kept for life after graduation. If a student does not register again but does not graduate, the TC Gmail account stays active for 3 more semesters. More information on the Columbia University Network Identifier can be found on the Columbia University Information Technology page:
www.columbia.edu/cuit.

If you are also an employee, please note that any access to employment-related email or other resources is discontinued on the last day of employment for the particular office.

Teachers College expects every student to receive email at their Teachers College email address and to read email frequently and consistently. A student's failure to receive and read College communications in a timely manner does not absolve that student from knowing and complying with the content of such communications. Students may

redirect (auto-forward) email sent to their Teachers College email address to another email address, unless they are also employees of the College and have access to confidential College information. *However, students who redirect email from their official College email address to another address do so at their own risk.* If email is lost as a result of forwarding, it does not absolve the student from the responsibilities associated with communications sent to their official College email address.

The complete policy can be viewed at: Email Use Policy.

Campus Network

Data, voice, and video outlets as well as wireless access are found in every classroom and office on the main portion of the campus. Student residences are served by wired access.

Teachers College Computing Access

Wireless access is available throughout the academic buildings and in common areas of the student residence halls. Those connecting personal computers to the College network are required to maintain current virus protection and device certificates, which can be done by downloading software from the myTC portal at no cost. They are also required to maintain current security by configuring Windows, Mac OS, IOS, and Android systems for automatic updates.

The Student Computing Support Center in 242 Horace Mann has 70 workstations and consulting support. It provides students with PCs and Macs, software, printers and other peripherals. This laboratory is open daily. The Center's software library includes PC and Mac programs such as MS Office, Adobe Creative Suite (Design Premium), statistical analysis, e.g. SPSS, R (and R Studio) SAS, STATA, EQS, HLM, MPlus, Latent Gold, Matlab, WinSteps/FACETS, NVivo, ArcGIS, Inspiration, Kidspiration, InspireData, Mathematica, Comic Life, Smart Notebook, and Food Processor SQL. McAfee virus protection is licensed by the College for all students, faculty and staff to download for their home computers. Several software applications including MS Office, SPSS, R, Endnote, a bibliographic database program, Matlab, a quantitative analysis program, and NVIVO, a qualitative analysis program are also available through site licenses for home use. Downloads are accessed via the web at myTC portal. Computer classrooms with workstations at each seat in 345 Macy (see below) are available for open use when not scheduled for instruction.

Email and local websites can also be accessed from the kiosks located in corridors, Everett Lounge, and ground floors of campus buildings.

The Gottesman Libraries have more than 70 public workstations connected to the Internet. An adaptive technology facility is located in 301 Zankel Hall. We are also requiring vendors as of June 2016 to provide the college with Voluntary Product Accessibility Templates (VPATs) in order to meet the minimum requirements for accessibility on the Teachers College campus.

Teachers College Printing Access

Printers are available for students using the TC printing system in the Student Computing Support Center in 242HM, the computer classrooms in 345 Macy, the Everett Student Lounge, the cafeteria and the Whittier resident Hall 10th floor computer lab. Students can print 20 double sided pages per week at no cost and can purchase additional pages at 5 cents per page black & white and 50 cents per page for color. For volume printing, we recommend using TC Business Services (*located in Zankel 34*). There are also two Columbia printers located in the Gottesman libraries which provide students with 20 double sided pages per week at no cost (in addition to the Teachers College printing system) with the option to purchase additional pages also at 5 cents per page black & white. For volume printing, we recommend using TC Business Services (*located in Zankel 34*).

TC Apps

TC Apps is a collection of integrated applications available through a sign-on to myTC. These include Google Apps for Education, Learning management systems Moodle, Canvas and BlackBoard, Mahara for ePortfolios, and Alfresco for managing files.

Other online resources include Qualtrics, an online survey platform which is available to students and faculty for use in creating, administering, and reporting on surveys. CIS provides both video-conferencing and a web-based conferencing application called WebEx, which provides desktop audio and video conferencing along with application sharing for those who can't meet in the same physical space. All members of the community have access to *Lynda.com* for learning a wide range of technology programs, and to Gartner research. The college owns an island called TC Educator in the virtual world of Second Life, where classes are held and simulations and other exciting new pedagogies are being explored (see <http://secondlife.com>). Recordings of College events and other interesting digital content from Teachers College are available through the Apple iTunes U store site (see <http://itunes.tc.columbia.edu>). Class sessions can

be recorded through Tegrity lecture capture by request of the instructor to Media Services. Student access to these recordings is through the Learning Management Systems.

TC Course/Learning Management Systems

Moodle is TC's main course management system, and it is integrated with TC Apps. In addition, the college is experimenting with Instructure's Canvas platform. Systems include features such as syllabi, course materials, announcements, online discussions video and chat sessions. These systems are used by TC onsite and online courses.

Multi-media Classrooms

All of our 65 classrooms have dedicated equipment such as PC's, Macs, projectors and document cameras. Six classrooms are outfitted with interactive whiteboards, similar to those often found in K-12 classrooms. Many of the rooms are set up with cameras and software for asynchronous, synchronous and collaboration. Mobile multimedia, laptop and iPad carts are available for use in rooms which do not have dedicated equipment. Several new classrooms were built to provide experimentation spaces with state of the art active learning technologies. The lessons learned through the use of these spaces resulted in the design that is being used for ongoing classroom renovations. The rooms are equipped for video conferencing and lecture capture, with touch LCD panels, and the ability to easily share content among room participants including use of personal mobile devices. There is flexible seating to easily move from lecture to group work, and plenty of white board surfaces including the tables.

Training

Training workshops are scheduled throughout the year on the use of Google apps and word processing, spreadsheets, social networking media, web publishing, statistical analysis surveys with Qualtrics, and video creation. New workshops focusing on design for online teaching and learning provide a resource for both faculty and students. In addition to workshops, individual and online training using *Lynda.com* is also available. The workshop schedule may be found on the Technology homepage.

Enrollment Systems

Students are able to register, drop and add classes, check financial aid, academic history and current grades or pay by ACH via the web portal at myTC portal.

TC Mobile

The new mobile app gives you a single interactive portal for Teachers College services, from the telephone directory to e-mail and course scheduling. Your one mobile place for all things Teachers College. The app is available for IOS and Android devices.

Continuous Enrollment

Continuous Enrollment Policy

Beginning in the Fall 2018 term, all students who enroll in a degree program must register for courses beginning with their initial term of entry and continuing each fall/spring term until their degree requirements have been met. To meet the continuous enrollment requirement students must:

- A.) Register for course work, or
- B.) Register as a master's candidate or doctoral candidate (each of which requires the College fee), or
- C.) Request and receive a leave of absence (medical, military, or personal) according to TC's leave policy, or
- D.) Doctoral candidates who have reached a stage at which they are obligated for continuous registration will meet the requirements of the continuous enrollment policy by registering for their department's dissertation advisement course, registering for at least 3 points of TC course work, or requesting and receiving a personal exemption or waiver according to the guidelines set forth in the appropriate doctoral student guide book.

Summer registration is not required unless it is part of the program's curriculum. Students who are in summer-only programs are not required to maintain continuous enrollment in fall and spring terms, but they must maintain summer enrollment each term.

Students must maintain an active enrollment status by selecting from option A, B, C, or D as outlined above. Students who are unable to register in a fall or spring term must inform the College of their enrollment plan by the end of the term drop/add period or else they will be placed on an administrative leave of absence. After being placed on administrative leave, students who do not communicate with the Office of the Registrar by the end of the term will be withdrawn from the College and will need to reapply for admission if they wish to resume their studies. Students who communicate with the Office of the Registrar before the end of the term may be eligible to request a change from administrative leave to personal leave, when applicable.

Students are permitted a total of two (2) terms of personal leave while matriculated at Teachers College. An administrative leave will not convert to a personal leave if the student has already reached the personal leave limit of two (2) terms.

Students should refer to the leave of absence policy for detailed information about the following areas while on leave: academic policies, financial aid, housing, health insurance, and re-enrollment.

Credit Hour Policy

A “point” (equivalent to a semester hour) is the College’s unit of credit. The New York State Education Department¹ and the U.S. Department of Education² regulate the minimum standards for a credit hour. To meet these regulations, the following standards apply to all Teachers College credit courses. These are minimum

requirements; individual courses may have greater requirements as determined by the course instructor. Time spent out-of-class represent averages, and some students might find it necessary to devote more time than these stated expectations. For this policy, a contact hour is defined as 50 minutes

Student Records and Family Education Rights and Privacy Act (FERPA) Statement

Student Records and Family Educational Rights and Privacy Act (FERPA)

1. General Background

1. The Family Educational Rights and Privacy Act ("FERPA") gives "students" a right of access to their "education records." It also limits the disclosure of a student's education records by the College without the student's written permission.
2. Under this policy, "students" are individuals who are or were registered students in attendance at Teachers College. Persons who unsuccessfully applied for admission or who were accepted but never attended the College are not "students." An unsuccessful applicant for admission to the College is not a College "student," even if the applicant is or was in attendance at another Columbia University school.
3. Records Covered:
 1. A student's "education records" include records, files, documents, and other materials regularly maintained by the College that contain information directly related to the student.
 2. Certain types of records are excluded from the scope of FERPA. For example, a student is not entitled to examine:
 1. Records maintained personally by an individual faculty member that have not been shared with and are not accessible by others.

2. Records created or maintained by a physician, psychologist, or other recognized health care provider that are created, maintained, or used only in connection with the provision of treatment to the student and are not available to anyone other than persons providing such treatment.
3. Records that are confidential as a matter of law, such as those that might be maintained by the College's attorneys.
4. Records containing financial information about a student's parents, such as information submitted with an application for financial aid.

2. Maintenance of Education Records

A student's official academic record is maintained by the Registrar, and its use is carefully controlled. Official records include the transcript, certain documents submitted in support of admission to the College and degree programs, and the doctoral student's record maintained by the Office of Doctoral Studies.

Documents may be kept in digital form. In accordance with established records management procedures, some records are purged periodically.

Teachers College students, alumni and former students may inspect their student records in accordance with FERPA. With the exceptions set out below, such records are generally not available to anyone other than College representatives with an institutional reason for reviewing them. Transcripts and other student records are released only in accordance with the College's FERPA statement.

3. Family Education Rights and Privacy Act (FERPA) Statement

FERPA affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. Students should submit to the Registrar a written request that identifies the record(s) they

wish to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. The student must bring valid photo identification to the appointment. Students will not be provided with copies of any part of their records other than the College transcript unless the inability to obtain copies of any part of his or her record other than the transcript would effectively prevent him or her from exercising his or her right to inspect and review his or her education records.

2. The right to request the amendment of any parts of the student's education records that the student believes are inaccurate or otherwise in violation of the student's privacy rights under FERPA. Students who request amendment of a record that they believe is inaccurate should submit a written request to the Registrar in which they clearly identify the part of the record they want changed and why it is inaccurate. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing. If, after a hearing, the College decides that the records are not inaccurate, misleading, or otherwise in violation of the student's rights, the student may place in the records a statement commenting upon the information and setting forth reasons for disagreeing with the decision.
3. The right to withhold consent to disclosures of personally identifiable information ("PII") contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. It shall be a condition of the College's disclosure of PII to a third party (1) that the party to which the information is released will not permit any other party to have access to such information without the written consent of the student and (2) that the released information may be used only for the purposes for which the disclosure was made. These conditions do not apply to certain subpoenas and court orders.

Under FERPA, records containing PII may be disclosed without consent as follows:

1. To "School Officials" with legitimate educational interests. A "School Official" includes a person employed by the College in an administrative, supervisory, academic, research, or support staff position; public safety officials, members of the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee or admission committee, or assisting another School Official in performing his or her tasks for the College. In addition, a School Official may be a contractor who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records such as an attorney, auditor or collection agent. A School Official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College.
2. Upon request and in the discretion of the Registrar, to officials of another school in which the student seeks or intends to enroll.
3. To authorized representatives of the U.S. Controller General, Attorney General, or Secretary of Education, or to State and local educational authorities. Disclosures under this provision may be made, subject to the FERPA requirements, in connection with an audit or evaluation of Federal or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf.
4. In connection with financial aid for which the student has applied or received, if the information is necessary to determine eligibility for the aid, the amount of the aid, or the conditions of the aid; or enforce the terms and conditions of the aid.

5. To organizations conducting studies for, or on behalf of, the College, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction.
6. To accrediting organizations to carry out their accrediting functions.
7. To comply with a judicial order or lawfully issued subpoena.
8. If designated as "directory information." The College has designated the following categories of information as directory information with respect to each student: name, mailing, campus and permanent addresses, photo, email address, Columbia University Network ID (UNI), degree program and major field of study, dates of attendance at the College, full-time, half-time or part-time status, degrees conferred and their dates, dissertation title and dissertation committee members and master's essay title and sponsor. A student who does not wish to have "directory information" released to third parties should notify the Office of the Registrar in writing of his or her wish to withhold such information in the future.
9. Under limited circumstances, to a victim of an alleged perpetrator of a crime of violence or sex offense. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding.
10. Under limited circumstances, to the general public, the final results of a disciplinary proceeding, if the school determines the student has committed a violation of the school's rules or policies with respect to the allegation against the student.
11. To appropriate officials in connection with a health or safety emergency subject to the provisions of the Regulations.
12. To parents of a student under the age of 21 regarding the student's violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a

disciplinary violation.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with FERPA. More information about FERPA is available at www.ed.gov/policy/gen/guid/fpcos/ferpa. FERPA is administered by:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-8520

4. **Student Requests for Release of Records.**

Upon written request by a student, the College may release information in that student's Teachers College education records to third parties. The student should make a request for such release in writing with the student's signature to the Registrar. The third-party designated by the student will ordinarily not be provided with copies of any part of the student's record other than the College transcript. The College may impose a charge for copying a student's records in connection with such a release, generally 20 cents per page. Transcripts are covered by a one-time fee paid by students upon registration.

Questions about the interpretation of the guidelines should be referred to the Executive Director Academic Affairs Compliance at maul@tc.columbia.edu

Grading

Course instructors are responsible for setting the requirements for courses and evaluating students' work. The grading symbols approved by the Faculty, appear below:

A+ Rare performance. Reserved for highly exceptional, rare achievement.

- A** Excellent. Outstanding achievement.
- A-** Excellent work but not quite outstanding.
- B+** Very good. Solid achievement expected of most graduate students.
- B** Good. Acceptable achievement.
- B-** Acceptable achievement but below what is generally expected of graduate students.
- C+** Fair achievement, above minimally acceptable level.
- C** Fair achievement but only minimally acceptable.
- C-** Very low performance. The records of students receiving such grades are subject to review. This review may result in the denial of permission to register for further study at Teachers College. No more than 3 points of C- may be credited toward any degree, certificate or diploma. Students completing requirements for more than one degree or diploma may count 3 points of C- toward only one such award. Students who accumulate 8 points or more with grades of C- or lower may not continue study at the College and will not receive a degree or diploma.
- F** Failure. The records of students receiving such grades are subject to review. This review may result in the denial of permission to register for further study at Teachers College. Students who accumulate 8 points or more with grades of C- or lower may not continue study at the College and will not receive a degree or diploma. Students usually may not repeat a failed course unless it is required. When the course is required, the students may re-register and obtain a satisfactory grade. The previous F grade remains on the transcript.
- P** Passed. The "P" grade indicates passing performance in certain courses that only provide for dichotomous evaluation. Alternatively, by arrangement with the instructor as outlined in the Grading Options section below, students can request pass/fail grading in courses that normally lead to letter grades. Once an instructor submits a final pass/fail grade for a course, the transcripts of students in that course will not carry any other type of grade. The College does not issue supplementary statements on student performance in the course.
- DP** Doctoral pass credit. The grade of DP may be assigned only to certified doctoral candidates who have successfully completed all requirements prescribed by the instructor. Students may receive DP credit only for courses taken in the semesters after

they are certified. DP credit may not apply toward M.A. or M.S. degree requirements. A maximum of 6 points of DP credit may apply toward Ed.M. degree requirements. See section below on Grading Options for further information.

WD Withdrawn. The WD grade indicates course withdrawal after the close of the change-of-program period during the term or non-attendance, as reported by a course instructor.

YC Year Course. The symbol "YC" is assigned for the first half of a year course (courses that appear with a "z" suffix on the transcript). At the end of the second half of the course, the final grade, denoting the instructor's evaluation, will appear on the transcript.

R Attendance Credit. R grades indicate that students attended a course. Instructors who agree to grant R credit may stipulate requirements in addition to regular attendance. Courses taken through the Interuniversity Doctoral Consortium may not be taken for an R grade. No R credit may apply toward M.A. or M.S. degrees. A maximum of 6 R credits may apply toward Ed.M. programs but not to satisfy the three-course out-of-program requirement. Finally, a maximum of 9 R credits may apply toward doctoral programs but not toward minimum distribution requirements. See section below on Grading Options for further information.

T Transfer credit awarded. The T grade is applied to transfer courses that meet minimum eligibility requirements for transfer work and that a faculty advisor has approved for credit.

The above grades are final and may not be changed.

IN Incomplete. The grade of Incomplete is to be assigned only when the course attendance requirement has been met but, for reasons satisfactory to the instructor, the granting of a final grade has been postponed because certain course assignments are outstanding. If the outstanding assignments are completed within one calendar year from the date of the close of term in which the grade of Incomplete was received and a final grade submitted, the final grade will be recorded on the permanent transcript, replacing the grade of Incomplete, with a transcript notation indicating the date that the grade of Incomplete was replaced by a final grade. If the outstanding work is not completed within one calendar year from the date of the close of term in which the grade of Incomplete was received, the grade will remain as a permanent Incomplete on the transcript. In such instances, if the course is a required course or part of an approved program of study, students will be required to re-enroll in the course including repayment of all tuition and fee charges for the new registration and

satisfactorily complete all course requirements. If the required course is not offered in subsequent terms, the student should speak with the faculty advisor or Program Coordinator about their options for fulfilling the degree requirement. Doctoral students with six or more credits with grades of Incomplete included on their program of study will not be allowed to sit for the certification exam.

- * Missing grade. Final grade has not been assigned by the course instructor.

Grading Options

Teachers College categorizes grade options as evaluative (letter-graded on an A+ through F scale), pass/fail (P/F), doctoral pass (DP), or attendance (R). Within the academic term of the course, students may request grade options that differ from the standard grade options that their course instructors use, but instructors have discretion to approve or deny such requests. Students may obtain applications for alternative grading options from the Office of the Registrar. Once an alternative grade application has received approval from the course instructor and Registrar, students may not request a subsequent change of grade option. Deadlines and specific procedures for completing the applications appear below:

Pass/Fail and Evaluative Letter Grades

Students in courses that normally award pass/fail grades may request letter grades, and students in letter-graded courses may request a pass/fail option. If the instructor approves the request, the student must submit the completed application for alternative grading to the Registrar before the third class session.

Doctoral Pass

Certified doctoral candidates may request a doctoral pass (DP) grade option. If the instructor approves the request, the candidate must submit the completed application to the Registrar before two-thirds of the class sessions have met.

Attendance Credit

Students desiring attendance (R) credit must request the R option from the course instructor. If the instructor approves the request, the student must submit the completed application to the Registrar before two-thirds of the class sessions have met. Mathematics majors in the Department of Mathematics, Science and Technology must have their applications cosigned by the program coordinator.

Changes in Grades

All grades other than Incomplete are final once submitted to the Office of the Registrar.

Once final grades have been given, instructors may not change them unless errors occurred in the original transmission of grades. A student who believes that an instructor has made a grading error should follow the procedures outlined in the Grade Correction policy: [http://www.tc.columbia.edu/policylibrary/Grade Correction](http://www.tc.columbia.edu/policylibrary/Grade%20Correction)

Courses at Schools Other than Teachers College

Different schools and affiliates of Columbia University, as well as members of the Inter-University Doctoral Consortium, may have different policies, procedures, and deadlines on course grading and incomplete grades. Teachers College students who cross-register at other schools should note that their course work at the host school may be subject to the policies and procedures of that school and not those of Teachers College. Grades of "D" earned at these other institutions will not count toward a Teachers College degree or certificate.

Graduate Credit in Advanced Undergraduate Courses

Students in degree programs may petition the Registrar to have an advanced undergraduate course offered at Columbia University counted as graduate credit toward the degree. To be considered for graduate credit, the courses must be beyond the general introductory level, relevant to the student's specialty, and must not be available on the graduate level within the University. In addition, a student must obtain a written statement from the instructor of the course clarifying the additional work required in order to differentiate between undergraduate and graduate participation in the course. For basic language courses, courses must be beyond the first two years. No more than 6 points in advanced undergraduate courses may be approved for graduate credit. The advisor's written recommendation is also required and final approval is granted by the Registrar. Petition forms may be obtained in the Office of the Registrar. Tuition charges for undergraduate courses that the Registrar approves for graduate credit or undergraduate language courses taken to fulfill the language requirement for the Ph.D. may be used to calculate students' federal financial aid awards. Undergraduate courses that fall outside of these parameters will not be factored into federal aid awards.

Inter-University Doctoral Consortium

Teachers College participates in the Inter-University Doctoral Consortium which provides for cross-registration among member institutions. Fully admitted doctoral students after the first year of study in Teachers College may register for courses at the Graduate School and University Center of the City University of New York, Fordham University, Princeton University, the New School for Social Research, New York University, Rutgers University, and Stony Brook University. Ordinarily, such courses must not be available within Columbia University. Applications are available in the

Office of the Registrar, 324 Thorndike. Students cross-registered for courses at another university are subject to the academic regulations of the host university, including the grading system, calendar, and academic honor system. It is the responsibility of the students to familiarize themselves with the pertinent regulations of the host university. Teachers College students pay tuition at the standard Teachers College rate to Teachers College for any such courses they take.

Official policy regarding College Communication.

Teachers College, recognizing the increasing need for electronic communication with students, has established email as an official means of communication with students. In order to ensure effective communication with students, students are required to activate and use the email address provided by the College. Information on how to do that is located at

<https://www.tc.columbia.edu/student-handbook/academic-resources/communication-and-technology/>

Teachers College expects that every student will receive email at his or her Teachers College email address and will read email on a frequent and consistent basis. A student's failure to receive Teachers College and read College communications in a timely manner does not absolve that student from knowing and complying with the content of such communications. Students may elect to redirect (auto-forward) email sent to their Teachers College email address. Students who (auto-forward) redirect email from their official College email address to another address do so at their own risk. If email is lost as a result of forwarding, it does not absolve the student from the responsibilities associated with communications sent to their official University email address. All use of email will be consistent with other Teachers College and Columbia University policies including the Acceptable Use Policy at <https://my.tc.columbia.edu>.

While most of College communications is handled through the official College email, on occasion the College will need to contact students using postal services. In addition, to be in compliance with various state and federal regulations, the College must have accurate information on the permanent residence and current location of all students. It is the responsibility of students to verify and update their addresses, as necessary, each semester. Students may view and update their addresses through myTC under the TC Services tab – Update Addresses and Phones.

Information concerning emergencies or school closing is published in several ways:

- WINS at 1010 on AM radio;
- WCBS at 880 on AM radio;

- the TC Web homepage at www.tc.edu; and
- the main telephone number, (212) 678-3000.

In addition to the communication methods above, emergency notifications are made through public address systems in most campus buildings and through TCAalert. All members of the TC community are strongly encouraged to sign up for TCAalert via the portal at my.tc.edu to receive text or voice messages on their cellphones. Use of this system is limited to urgent messages. The College does not charge for it, although some wireless phone carriers may charge a fee for receiving SMS text messages.

Acceptable Use of Information Technology

The purposes of this policy are to promote and improve the effectiveness of Teachers College computing and communications resources and to support the College community's norms of scholarly discourse, academic integrity, and fairness. As an academic community, the College places a special value on free expression of ideas. However, unlawful or inappropriate use of these information technology (IT) resources can infringe upon the rights of others. Accordingly, all members of the College community are expected to use these resources responsibly. Prevention of abuse of the College's IT resources is important to:

- promote the appropriate and productive use of the College's information technology resources, which are a finite, shared resource of the College community;
- protect individuals from harassment and undue annoyance;
- prevent waste of the IT resources and obstruction of College activities; and
- protect the College and its resources

Policy

The information technology resources of the College are part of the Columbia University network; all College users must be familiar with and adhere to the University IT policies found at www.columbia.edu/cu/policy and particularly the *Acceptable Use of IT Resources Policy*, policylibrary.columbia.edu/acceptable-use-it-resources-network-and-computing-policy.

Use of College information technology resources must also conform with College policies, regardless whether they make explicit reference to electronic or other media. Relevant policies, including those related to professional conduct and protection from harassment, are available in the College's Policy Library, www.tc.edu/policylibrary.

Students, faculty, staff and others using College and University electronic resources and services assume personal responsibility for their appropriate use and agree to comply with all relevant policies, as well as applicable laws. College IT resources may not be used for any purpose that violates College or University policies or for any illegal or criminal purpose, including violation of copyright law. Copying, storing, displaying, or distributing copyrighted material using College or University computers or networks without the express permission of the copyright owner, except as otherwise allowed under the copyright law, is prohibited. Under the Digital Millennium Copyright Act of 1998, repeat copyright infringements by a user of the College's IT resources can result in termination of the user's access to those resources.

It is illegal and a violation of College and University policies to attempt to gain access to or use another person's ID, password or account, or to send an email impersonating another individual, regardless of where the email originates. Sharing of passwords is prohibited and each user is responsible for the proper use of his or her account and any activity conducted with it.

Communication at the College, whether spoken, written or electronic, should be conducted courteously, and with respect for other people's ideas, privacy, intellectual property, and right to be free from intimidation, harassment, and unwarranted annoyance, including, but not limited to, chain letters, and obscene and other unwelcome messages.

All email and postings should have the name of a person from or for whom it is sent, even if replies are not permitted. Broadcast messages to large lists should have an educational or work-related significance to many members of the group.

Messages or files that interfere with or impair the computers or activities of other people, including but not limited to viruses, worms and Trojan horses, are forbidden. They violate College and University policies and applicable law.

Failure to abide by these policies will have consequences that may range from warnings to suspension of email and other computing privileges to dismissal or termination of employment. Conduct that violates College and University policies may also violate federal, state or local law and subject individuals to civil or criminal liability.

Teachers College Policy on Protection from Harassment

Interim Policy effective October 5, 2015

This Policy has been updated to ensure compliance with current laws, including New York State Education Law section 129-B (effective October 5, 2015). This is an Interim Policy and will be reviewed within Teachers College.

Gender Based Misconduct between students is governed by the Columbia University Gender-Based Misconduct Policy for Students, sexualrespect.columbia.edu, rather than by this Policy. This Policy contains special procedures for addressing allegations of sexual assault, domestic violence, dating violence and stalking involving members of the Teachers College community not subject to the Gender-Based Misconduct Policy for Students.

Please see www.tc.edu/policylibrary/RESOURCES for information about campus and off-campus resources relating to this Policy.

See full policy here.

Release of Transcripts

The College regards the student's transcript as a personal and private document; it is released only upon written authorization of the student. Unpaid financial obligations to the College will result in the withholding of student transcript and/or diploma.

Teachers College does not duplicate copies of transcripts from other institutions which were submitted in support of the applicant's application for admission to the College.

Religious Observance

It is the policy of Teachers College to respect its members' observance of their major religious holidays. Where academic scheduling conflicts prove unavoidable, students will not be penalized for absences due to religious reasons, and course instructors will work with students on alternative means for satisfying academic requirements. If students and instructors cannot reach a suitable arrangement, they should consult the appropriate Program Director or Department Chair. If necessary, students or instructors may take the matter to the Office of the Provost for additional appeal.

Some of the major holidays occurring during the academic year are: Good Friday, Id al Adha, Id al Fitr, Passover (first two and last two days), Rosh Hashanah, Shemini Atzeret, Shavuoth, Simchat Torah, Succoth (first two days) and Yom Kippur.

Jewish and Islamic holy days begin at sundown of the preceding day.

It should be noted that because of the size of the event and the space available, convocations held at Commencement take place in either Riverside Church or the Cathedral of St. John the Divine. The facilities are used in a non-sectarian manner.

The Office of the Provost and Dean of the College requests that faculty members who will miss classes for religious observances notify their Department Chair in advance. They should also announce missed class sessions on their syllabi. In such cases, faculty members may either make arrangements for another course instructor to cover the missed class or schedule a makeup session at a time convenient to students.

Student Conduct Code: Academic Integrity and General Misconduct

Owner: Vice Provost for Student Affairs

INTRODUCTION

Teachers College (TC or the College) expects students to observe traditional norms of scholarly discourse, academic integrity and fairness. All students should engage in responsible social conduct and model good civil conduct and citizenship. Thus, activities which disrupt the regular and essential operations of the College or Columbia University are not permitted.

Members of the College community may charge students with violating these standards of conduct. Students found responsible for violating these standards may be subject to appropriate disciplinary action ranging from reprimand to disciplinary probation, suspension and/or expulsion from the College.

When students are accused of gender-based misconduct including but not limited to sexual assault, domestic violence, dating violence and stalking, the Gender-Based Misconduct Policy and Procedures for Students found at: <http://www.tc.columbia.edu/policylibrary/diversity-and-community-affairs/gender-based-misconduct-policy-for-students/> applies. All other academic and general misconduct involving students falls under this student conduct code.

Nothing in these standards of conduct shall replace professional codes of ethics applicable to students in various programs.

1. DEFINITIONS AND ORGANIZATION OF THE DISCIPLINARY SYSTEM

1.1 Student: For purposes of this Code, any person currently enrolled in a degree program as a matriculated student and any person currently enrolled in a non-degree program in a for-credit course (including an online course) at Teachers College is a student.

Non-credit offerings may be instructional programs or stand-alone courses that do not require extensive assessment or examinations and do not offer academic credit. Non-credit programs are a *series* of non-credit courses that may lead to a culminating non-credit certificate of attendance. Non-credit courses are usually offered as a 1 or 2-day

course, workshop or conference. For purposes of this Code, any person currently participating in a non-credit program at Teachers College is a student. Any person currently participating in a non-credit course is not considered a student.

1.1.1 Students who also serve as TC employees may be subject to separate disciplinary proceedings by virtue of their employment status. TC has other policies that relate to staff and faculty as well as policies that apply to all members of the community. All TC policies may be found in the Policy Library. Nothing in this Code shall prevent an investigation or discipline under other applicable College policies.

1.1.2 If an accused student is also enrolled at another institution, that student may be referred to that student's primary institution at the discretion of TC.

1.2 Jurisdiction: This Code addresses misconduct committed by students including:

1.2.1 Any alleged violation that is committed by a student that adversely affects the safety and security of the College (or Columbia University), College (or Columbia University) property or an individual member of the College (or Columbia University) community;

1.2.2 Any alleged violation that is committed by a student that substantially disrupts the functions or operations of the College (or Columbia University).

1.3 Vice Provost for Student Affairs: The Vice Provost for Student Affairs has overall responsibility for overseeing proceedings and all matters related to the enforcement of this Code. The Vice Provost for Student Affairs may identify a designee to carry out these responsibilities.

1.3.1 The duties of the Vice Provost for Student Affairs include: determining whether to resolve complaints by voluntary agreements, determining whether complaints warrant referral to the Student Conduct Committee (SCC), bringing charges of violations to the SCC for disciplinary hearing, monitoring and enforcing the fulfillment of sanctions imposed, maintaining records of all disciplinary matters, providing administrative support for all aspects of the disciplinary process (including hearings), preparing reports, and compiling statistics. In cases of admission fraud, the Vice Provost for Student Affairs will work with Enrollment Services and other offices as necessary to discipline those who violated the College's admission certification of accuracy statement

1.3.2 Interim Measures: In cases where the Vice Provost for Student Affairs or a designee determines that a student's presence on campus endangers the health, safety and/or well-being of self or any person, or of the College property, or disrupts the

normal operations of the College, including classes or events, the Vice Provost for Student Affairs or a designee has the authority to take immediate interim measures before the start of any formal or informal discipline process. Interim measures may include, but are not limited to, restricting a student from contacting another person or persons; restricting a student from accessing the residence halls or other buildings on campus; or suspending a student from participation in classes or events and/or organizations within the campus community.

1.4 Student Conduct Committee (SCC): The SCC is responsible for conducting hearings related to alleged violations of this Code.

1.4.1 The jurisdiction of the SCC extends to both areas of the TC disciplinary system: Academic Integrity and General Misconduct.

1.4.2 The SCC shall be comprised of three students, three professional staff members and three faculty members. Its members shall serve staggered terms to ensure continuity as members of the SCC rotate on and off the Committee.

1.4.3 SCC hearings are conducted by a three-member panel of the SCC convened by the Vice Provost for Student Affairs or designee.

1.5 Complainant and Respondent. Any member of the TC or Columbia University community who alleges an academic or general misconduct violation is called a complainant. Students accused of academic or general misconduct violations under this Code are called respondents.

1.6 Advisors: Advisors can assist students involved in disciplinary proceedings to understand the disciplinary process, respect and comply with the provisions of this Code, and manage all aspects of the process.

1.6.1 An advisor may accompany any complainant or respondent to a meeting regarding a disciplinary complaint. Advisors also may accompany complainants or respondents at hearings, and in both cases, may quietly advise but may not participate in such meetings or hearings.

1.6.2 An advisor must be either a TC faculty member, staff member or student and must be in good academic and disciplinary standing.

1.6.3 Generally, the student must select an advisor whose schedule allows attendance at the scheduled hearing dates and times. Delays will not be allowed due to advisor scheduling conflicts.

1.7 Any member of the TC or Columbia University community may bring a complaint about student conduct to the attention of the Vice Provost for Student Affairs. Doing so in no way limits the complainant's rights or obligations to bring such matters to the attention of College offices, officers or resources, including the Office of the Ombuds or to seek recourse outside TC through civil or criminal legal proceedings.

2. ACADEMIC INTEGRITY

2.1 TC is an academic community whose fundamental purpose is the pursuit of knowledge. High principles of academic integrity are essential to the functioning and continued growth of this community. Students, as well as faculty, are responsible for adhering to these principles, and TC will not tolerate failure to adhere to the College's principles of academic integrity. Students who intentionally or recklessly submit work either not their own or without clear attribution to the original source, fabricate data or other information, engage in cheating, misrepresent academic records or other violations noted below are subject to charges. Those who engage in academic misconduct should expect sanctions up to and including dismissal from TC.

2.2 Responsibilities of Community Members: Every member of the TC academic community is responsible for upholding the standards of academic integrity declared in this Code.

2.2.1 If a student is unsure whether actions might constitute academic misconduct, the student has the responsibility to consult with the instructor in advance about any ambiguities.

2.3 Academic misconduct includes but is not limited to:

2.3.1 Cheating: using or attempting to use unauthorized assistance, material or study aids in examinations or other academic work;

2.3.2 Plagiarism: using the ideas, data or language of another without specific or proper acknowledgement;

2.3.3 Fabrication: submitting contrived or altered information in any academic exercise such as making up data, citing nonexistent articles, contriving events and sources of information;

2.3.4 Duplicate submissions: submitting any work submitted to fulfill another assignment without appropriate revision to meet the instructional goals of the current course. In cases of uncertainty or ambiguity, a student should check with the student's instructor;

2.3.5 Misrepresentation of academic records or attempting to tamper with transcripts of any portion of a student's academic record;

2.3.6 Facilitating academic dishonesty by knowingly helping another student to engage in academic misconduct;

2.3.7 Unfair advantage through attempting to gain unauthorized access to examination or other course-related materials or obstructing another student's efforts.

3. GENERAL MISCONDUCT

3.1 Violations of general misconduct include but are not limited to:

3.1.1 Obstruction or disruption of teaching, research, administration, TC procedures and activities, or other authorized activities;

3.1.2 Physical abuse, verbal abuse, threats, intimidation, harassment, coercion or other conduct that may endanger the health and/or safety of others. This includes threats of violence against another person and physical or verbal intimidation that unreasonably impairs the security or privacy of another person;

3.1.3 Discrimination and harassment.

Prohibited discrimination is adverse treatment of any student on the basis of race, color, religion, creed, sex, sexual orientation, national origin, ancestry, age, marital status, citizenship status, veteran status, disability, pregnancy, gender expression or any other criterion specified by federal, state, or local laws.

Prohibited discrimination is subjecting an individual to humiliating, abusive, or threatening conduct, whether verbal or physical, that creates an intimidating, hostile, or abusive work, educational or living environment; alters the conditions of employment, education, or residential life; or unreasonably interferes with an individual's work or educational performance or living environment on the basis of race, color, religion, creed, sex, sexual orientation, national origin, ancestry, age, marital status, citizenship status, veteran status, disability, pregnancy, gender expression or any other criterion specified by federal, state or local laws.

Please see the TC Policy on Protection from Harassment;

3.1.4 Unauthorized entry or use of TC facilities or unauthorized possession or use of TC property of others;

3.1.5 Disorderly conduct or highly offensive conduct or expression;

3.1.6 Forgery, alteration or misuse of TC documents, records or identification, furnishing false information to TC or Columbia University or possession of any false identification or identification belonging to another person;

3.1.7 Identity theft: possessing or using another person's name, address, Social Security Number (SSN), bank or credit card account number, or other identifying information without that person's knowledge and/or with the intent to commit fraud or other crimes;

3.1.8 Theft or other abuse of computer facilities and resources including but not limited to: any violation of TC or Columbia University Computer Use Policy, using computing facilities and resources to send offensive or abusive messages or other unauthorized use of computing facilities and resources;

3.1.9 Violations of copyright law by unlawful copying, distributing, sharing or storing copyright-protected information or material, including but not limited to music, film and internet video;

3.1.10 The unlawful manufacture, possession, use or distribution of illicit drugs, unlawful drug paraphernalia and alcohol. Please see the TC Drug-Free Campus Policy;

3.1.11 Failure to comply with authorized directions of or furnishing false information to TC or Columbia University officials or representatives of the SCC acting in performance of their duties;

3.1.12 Failure to engage in responsible social conduct and to model good civil conduct and citizenship;

3.1.13 Violations of any other TC or Columbia University policy, rule or regulation, or of federal, state or local law that reflect upon or are related to the Student's activities or status as a Teachers College student.

4. INFORMAL PROCEDURES

4.1 When an issue arises involving the academic or general misconduct of a student, the Code provides informal avenues by which the complaint may be resolved.

4.2 Personal Resolution:

4.2.1 Academic Integrity: A faculty member or other instructor who believes that a student has engaged in academic misconduct will apprise the student of the suspected academic misconduct and refer the student to the Student Conduct Code and the Vice Provost for Student Affairs. The instructor shall also provide the student with the opportunity to meet with the instructor to discuss the nature and validity of the allegations and the possible institutional responses. After a discussion with the student, the instructor will decide whether the alleged violation was intentional or unintentional. The instructor will then propose a resolution to the student and discuss possible sanctions with the Vice Provost for Student Affairs, as appropriate.

4.2.2 General Misconduct: A complainant may wish to communicate directly with the person against whom the complaint is being made in order to address the issues involved. However, a complainant may bypass personal resolution if the complainant would feel uncomfortable or unsafe doing so. In particular, individuals who believe that they were threatened or who were injured by a student are encouraged to speak with the Vice Provost for Student Affairs or visit the TC Ombuds to seek assistance before pursuing personal resolution. Such an individual may wish to pursue other options such as a facilitated conversation, mediation or to file a request for a formal resolution.

4.3 Facilitated Conversation:

4.3.1 TC encourages a facilitated conversation whenever practical and appropriate. A facilitated conversation may take place only if the complainant and respondent both agree to participate. A matter is resolved through a facilitated conversation only if all parties agree on the resolution.

4.3.2 Academic Integrity: If, after following the procedure for personal resolution above, a resolution is not reached, the instructor and student may approach the Program Director (or Department Chair if the instructor is the Program Director) following their discussion and decide to move forward with a facilitated conversation. The Program Director or Department Chair may then facilitate a conversation between the instructor and the student to discuss the allegations and a possible resolution of the matter. If as part of the facilitated conversation, a resolution is agreed to that involves the imposition of sanctions, these will be issued by the Program Director or Department Chair and should be communicated in writing to the student.

4.3.3 General Misconduct: In situations involving alleged general misconduct, any involved party may contact the Vice Provost for Student Affairs with a request for a facilitated conversation. The Vice Provost for Student Affairs or a designee may then facilitate a conversation between the parties to discuss the allegations and a possible resolution of the matter. If as part of the facilitated conversation, a resolution is agreed to that involves the imposition of sanctions, these will be issued by the Vice Provost for Student Affairs or designee.

4.3.4 Ombuds Office Mediation: The parties may ask the TC Ombuds to mediate a dispute. The mediation must be agreed to by both parties. The TC Ombuds is independent from the College's administration and determines the procedures under which the mediation will take place.

5. FORMAL PROCEDURES

5.1 If attempts at personal resolution, facilitated conversation or mediation fail or any member of the community wishes to bypass informal procedures and file a formal complaint, the complainant shall notify the Vice Provost for Student Affairs in writing. The Vice Provost for Student Affairs or designee will then convene a Hearing Panel from the members of the SCC. The Vice Provost for Student Affairs will provide notice of the hearing and a statement of the allegations to the complainant and the respondent within 7 calendar days of receipt in writing of the complaint by the Vice Provost for Student Affairs.

5.2 The statement of the allegations will identify the reasons for calling the hearing with sufficient particularity and rationale to insure the parties have an opportunity to prepare for the hearing. The statement of the allegations also will contain the names of the proposed hearing panelists. Either party should notify the Vice Provost for Student Affairs or designee of any hearing panelist that is known to them and/or who could present a conflict in the case. The Vice Provost for Student Affairs will review the potential conflict and decide whether or not the hearing panelist should be replaced. No member of the Hearing Panel who is otherwise interested in the particular case shall sit on the Hearing Panel for that case.

5.3 A hearing may be expedited in appropriate circumstances, including disciplinary matters involving students who have been placed on mandatory temporary suspension or conditional attendance, graduating students or students who are about to take a leave of absence or to leave campus to study elsewhere.

5.4 The SCC Hearing Panel will be comprised of one student, one professional staff member and one faculty member, one of whom will serve as Chair. The Chair is, in consultation with the Vice Provost for Student Affairs, responsible for ensuring that the hearing process occurs in a timely fashion.

5.5 All members of the TC community are required to cooperate with these formal procedures. Individuals who are interviewed or called as witnesses (including complainants and respondents) are obligated to provide honest and complete statements during the process.

5.6 Disciplinary hearings are not trials or legal in nature, and they are not governed by rules of legal procedure, evidence or judicial formality. They are designed to encourage open discussion among the participants to promote the Hearing Panel's understanding of the facts, the individuals involved and the circumstances under which the alleged incident occurred, the nature of the conduct, and the attitudes and experiences of those involved. Information, including hearsay evidence, may be considered if it is relevant, not unduly repetitious and the sort of information on which responsible persons are accustomed to rely upon in the conduct of serious affairs.

5.7 These procedures and standards apply to all hearings:

5.7.1 The complainant and respondent in the process may be accompanied by advisors as described in the section on advisors above.

5.7.2 No less than three (3) business days prior to the hearing, the parties shall submit to the Vice Provost for Student Affairs or designee all documents to be submitted as evidence and the names and anticipated areas of testimony of any witnesses.

5.7.3 Witnesses: The Hearing Panel has the discretion to determine which witnesses, if any, they wish to interview during the hearing.

5.7.4 Both the complainant and the respondent may make opening and closing remarks of not more than five minutes each.

5.7.5 The Hearing Panel's findings are based solely on the statements of the complainant, respondent and/or witnesses and any evidence submitted prior to or during the hearing.

5.7.6 The Hearing Panel will determine a violation of the Code by a preponderance of the evidence.

5.7.7 All documents presented to the SCC Hearing Panel shall become the official property of TC.

5.7.8 If either the complainant or the respondent fails to appear at the hearing, proceedings will continue. Evidence may be presented and considered even if a party is absent

5.7.9 After the hearing concludes, the SCC Hearing Panel shall deliberate in private.

5.7.10 All findings of the Hearing Panel require a majority vote. At the conclusion of the deliberations, the SCC Hearing Panel shall deliver a brief written statement of their findings and any recommended sanctions to the Vice Provost for Student Affairs.

5.7.11 The Vice Provost for Student Affairs shall communicate to the respondent the Hearing Panel's decision and any sanctions imposed. The Vice Provost for Student Affairs shall also inform the complainant of the decision. These communications shall be in writing.

5.8 Appeals. Both parties have the right to appeal. The appeal must be submitted to the Vice Provost for Student Affairs within seven (7) business days following written notification of the decision from the Vice Provost for Student Affairs. Grounds for appeal include: (1) procedural error and (2) new evidence and/or information not available at the time of the hearing. Appeals must be in writing, must state the ground for appeal and must provide evidence to support the appeal.

5.8.1 The Vice Provost acts as the appellate officer. The Vice Provost for Student Affairs shall provide the Vice Provost with all information regarding the case. After review, the Vice Provost will notify the appellant in writing of the appeal decision, which is final.

5.8.2 If the Vice Provost is the complainant, the appellate officer function shall be discharged by the Provost and Dean of the College. Subject to the special provision for emergency or other extraordinary situations, there shall be no change in the status of the respondent until the appeals process is complete.

5.9 In an emergency or other extraordinary situation, the Vice Provost for Student Affairs or designee shall take such interim disciplinary action as is necessary to appropriately manage an incident pending a hearing by the SCC or a decision on appeal, which shall take place as soon as practicable.

6. DISCIPLINARY SANCTIONS

6.1 Disciplinary sanctions may include, but are not limited to one or more of the following:

- 6.1.1 Reprimand: a verbal admonition and an official written warning, course or grade failure;
- 6.1.2 Restitution: repair or replacement of property when loss or damage is part of the offense;
- 6.1.3 Restriction: loss of privileges that are consistent with the offense and the rehabilitation of the student;
- 6.1.4 Disciplinary Probation: the student is no longer in good disciplinary standing for a specified period of time;
- 6.1.5 Suspension: dismissal from TC and/or its residence halls for a specified time. Suspension, pending a hearing may be imposed when there is reason to believe the action is necessary to maintain TC operations and/or to protect the safety of individuals;
- 6.1.6 Expulsion: permanent dismissal from TC and/or its residence halls;
- 6.1.7 Revocation: withholding or repealing admission, course credit or a degree award;

7. COUNSELING, EVALUATION AND TREATMENT

7.1 In some cases of misconduct, such as those committed under the influence of alcohol or other drugs, participation in an evaluation and/or treatment program by an approved counseling service may be a condition of readmission to TC or a condition of continued enrollment.

8. DISCIPLINARY RECORDS AND CONFIDENTIALITY

8.1. Records of disciplinary proceedings are maintained by the Vice Provost for Student Affairs. No record of the disciplinary proceedings shall be entered in the student's official College file until a final decision, and if appropriate disciplinary sanctions, are rendered and any appeals are concluded. Disciplinary records shall be maintained as specified in TC's Document Retention Policy.

8.2. All disciplinary proceedings, the identity of individuals involved in particular disciplinary matters, and all disciplinary files, testimony and findings shall be kept confidential to the extent possible.

9. STUDENT ORGANIZATIONS

9.1. There are several recognized and approved student organizations at Teachers College in any academic year. To assume a student leadership role in any student organization, a student, as defined above, must be enrolled in a degree program and must be in good academic and conduct standing.

9.2. The Vice Provost for Student Affairs has the authority to restrict any student from membership in a student organization for academic or general misconduct.

9.3. Student organizations are collectively responsible for any action committed by members on behalf of the organization that violates Teachers College policy.

Disciplinary action against student organizations is separate from action taken against individuals. Facts of an incident may necessitate action against both a student organization and the individual members of that organization who were found to have violated Teachers College policy. Disciplinary sanctions against a student organization may include, but are not limited to, the dissolution of the student organization.

COLUMBIA UNIVERSITY RULES OF CONDUCT

Columbia University has separate Rules of University Conduct which apply to all those who visit its campuses or use its facilities. Violations of these Rules can lead to sanctions including the eradication of permission to visit the Columbia University campuses or use of its facilities and suspension or dismissal from Columbia University courses in which a Teachers College student may be enrolled.

Student Psychological Wellness Policy

Responsible Office: Vice Provost.

Last updated November 25, 2015

Introduction

Teachers College seeks to promote student academic progress and personal well-being. We face the reality that suicide is a leading cause of death for college and university students. In addition, suicide, attempted suicide, and suicidal threats may have a significant detrimental effect not only on the involved student, but on others in the campus community.

The College opposes, and strives to eliminate, all forms of personal abuse and violence, whether directed at oneself or others. This Student Psychological Wellness Policy outlines an approach to educate and promote discussion about threats, disruption, self abuse, and violence. It also outlines procedures for crisis intervention and response. All members of the College community are expected to promote a violence-free environment and to observe these policies and procedures.

See the full policy [here](#).

Visiting Scholars

Visiting Scholar Policy

Teachers College (TC) welcomes visitors who do not hold academic appointments at the College to come to TC, for a specific period of time, to facilitate their research and to participate in the activities of the College. To accommodate the needs of these individuals and to recognize their contribution to the intellectual life of the College, TC confers **Visiting Scholar** status with limited benefits and privileges according to the policies and procedures described below.

Eligibility for TC Visiting Scholar Status

Visiting Scholars generally hold a doctorate from a regionally accredited higher education institution in the United States or its equivalent in another country, and are on leave from a full-time faculty appointment at the institution where they are employed. In exceptional cases, a recognized expert in the field may also be nominated for Visiting Scholar status.

In addition, with special approval by the College, Visiting Scholar status may be granted to known practicing professionals, creative artists, former government officials, international officials (from entities such as the UN), leaders of NGOs and TC doctoral alumni and staff who are engaged in research and teaching of special interest to a Teachers College faculty member.

An individual who is not eligible for visiting scholar sponsorship but is currently a doctoral student at a regionally accredited institution within the United States, or its equivalent from a country other than the United States may apply to the College's Visiting Doctoral Student Program. For details, please see the Visiting Doctoral Students Policy at (<http://www.tc.columbia.edu/policylibrary/vice-provost/visiting-doctoral-students-/>)

Faculty Host

Visiting Scholar status is conferred by the Executive Director of International Affairs on behalf of the Provost and Dean of the College.

An individual who wishes to be a Visiting Scholar must be recommended by a faculty member in whose academic discipline the scholar has an interest. The faculty host must be in residence during the visiting scholar's approved period of stay and is responsible for facilitating mutually beneficial interactions between the Visiting Scholar, faculty colleagues and students. Visiting Scholars are encouraged to participate in scholarly presentations at the College and to present a summary report on their experience at Teachers College. Directors of TC Institutes and members of Senior Staff may also recommend individuals for Visiting Scholar status.

Applications

A prospective Visiting Scholar must complete an application, available on the Office of International Affairs website (<http://www.tc.columbia.edu/international-affairs/visiting-scholars/forms/>). In addition to the application, prospective scholars must submit the following as PDF attachments to the attention of the program manager, Blessing Nuga (nuga@tc.columbia.edu):

1. Plan of research and/or activities at Teachers College (TC) including goals and objectives.
2. Curriculum vitae (CV).
3. SIGNED recommendation letter from your TC faculty host(s) stating the period of visit, the goals and objectives for the visit and detailing any funding, if applicable.
4. Copy of the passport identity and expiration page.

Administrative Fee

Please note that applications received after February 1, 2017 will be assessed a nonrefundable administrative fee of **USD\$400** for first time applicants and a nonrefundable renewal fee of **USD\$100** for extension applicants. Scholars whose application is approved will receive a link via email to access the online payment site, Cashnet. The Cashnet payment site only accepts credit cards (VISA, Mastercard, American Express, Discover, Masterpass). Scholars unable to pay by credit card may

submit payment via wire transfer. Please contact the program manager, Blessing Nuga (nuga@tc.columbia.edu), for the TC wire transfer form. If paying by wire transfer, please allow 1-2 weeks for processing. Also note that some banks may charge an additional fee for international wire transfers; please check with your banking institution to verify this. Please make sure that the email address on your application is correct, as the Cashnet access link will be sent directly to this address.

Visiting Scholar Privileges at TC

Visiting Scholars receive the following privileges at Teachers College:

- University ID (or UNI) for access to electronic resources and a TC Gmail account.
- Access to Teachers College and Columbia University libraries with some restrictions during periods of examination or special events.
- Auditing of classes with the instructor's permission.
- Attending open lectures.

Upon arrival at Teachers College, all Visiting Scholars must check in with the program manager in the Office of International Affairs. Scholar privileges will be activated following the check in appointment.

Individuals may be granted Visiting Scholar status for up to one year. The designation may be renewed for no more than one additional year with approval of the faculty host and payment of the \$100 renewal fee. "Visiting Scholar" is a courtesy designation and does not signify a formal association with the College. No official records are maintained and no statement of activities is issued.

Visiting Scholars are not compensated and are not eligible for College or University health insurance. Scholars are responsible for arranging their own financial support and insurance. They may receive honoraria for participating in a conference or for giving an occasional lecture *if* they are citizens or permanent residents or, in the case of non-resident aliens, if they have an appropriate visa and the *prior* authorization of the Director of the Office of International Services.

Visiting Scholars may not be compensated from a Teachers College account; given a TC fellowship or reimbursed for expenses without prior approval of the Executive Director of the Office of International Affairs.

Prospective visitors wishing to enroll in classes for credit at TC should request an application for non-degree student status from the Office of Admissions (www.tc.edu/admissions). Individuals in F-1 or J-1 student status are not granted Visiting Scholar privileges and must be full-time students. Contact the Office of International Services (www.tc.edu/international) for more information.

J-1 Visa Sponsorship for Foreign Nationals

Foreign nationals ordinarily need a J-1 (research scholar category) visa to visit Teachers College. Upon receipt of all documentation required by the U.S. government, the Office of International Services will issue a Form DS-2019 to support the J-1 visa application. Federal regulations require that applicants for J-1 status have sufficient funds for the period of stay at Teachers College and meet the medical insurance requirements of the U.S. Department of State. The Visiting Scholars Form DS-2019 Application is available from the Office of International Services; this office can provide additional details on complying with these requirements.

Please note that as of May 15, 2015, prospective Visiting Scholars applying for J-1 visa sponsorship from Teachers College are required to demonstrate English Language proficiency.

In addition to checking in with the OIA program manager, all Visiting Scholars on a J-1 visa sponsored by TC must also check-in with the Office of International Services upon arrival to receive a welcome orientation.

An individual interested in Visiting Scholar status should contact:

Ms. Blessing Nuga
Office of International Affairs
Teachers College, Columbia University
Telephone/fax: 212-678-4010
Email: nuga@tc.columbia.edu
<http://www.tc.edu/oia/>

Please note that individuals who do not qualify as a Visiting Scholar or Visiting Doctoral Student are not eligible for visa sponsorship from the College.
