AI PD SATURDAYS

Teachers College
COLUMBIA UNIVERSITY

LEARN, EXPLORE, APPLY

New to AI or unsure how AI can support your everyday teaching tasks? **No prior AI experience is needed!** Discover practical ways to use AI for lesson planning, preparing materials, and everyday teaching tasks. Through guided, hands-on practice, learn to create, evaluate, and adapt AI-supported resources.

WHAT YOU'LL LEARN IN OUR PD

Everyday Application

Plan lessons, adapt materials, and simplify daily tasks

Step-by-Step Learning

Start simple and gradually build your AI skills

Hands-On Practice

Create, evaluate, and refine AI-generated resources
