FUNDED GRANTS

National Institute on Deafness and Other Communicative Disorders (NIH/NIDCD)-F31

Title: Test-retest reliability of micro and macro linguistic measures in people with aphasia and healthy adults during conversation and narrative discourse 2019-2020
Role: Primary Mentor (PI: Marion Leaman)

PSPCure Foundation

Title: Developing treatments for swallowing and communication deficits in PSP 2017-2018
Role: Co-Principal Investigator with Dr. Michelle Troche (\$100,000)

Teachers College, Columbia University, Dean's Grant for Tenured Faculty Research

Title: Development of psychometrically sound items for Spanish/English bilingual older adults: Toward development of a bilingual naming test for persons with aphasia 2015-2016
Role: Principal Investigator (\$5,000 and course release)

Teachers College, Columbia University, Provost's Investment Fund

Title: Clinical-Research Neurorehabilitation Center 2015-2016
Role: Co-Principal Investigator (with Dr. Michelle Troche) (\$20,000)

Brain Rehabilitation and Research Center, Malcom Randall Veterans Affairs Merit Grant

Title: Effect of verb network strengthening treatment on lexical retrieval in aphasia 2011-2014
Role: Principal Investigator; Total Direct Costs: \$610,000

Brooks Rehabilitation Clinical Research Center

Title: Assessment of writing impairments in persons with aphasia: Comparing writing by hand to writing on a computer 2012-2014
Role: Principal Investigator, Total amount: \$11,678

American Speech Hearing and Language Association

Multicultural Award 2008-2009
Title: Bilingual Performance on the Object and Action Naming Battery: Preliminary Normative Data in Spanish and English
Role: Principal Investigator, Total award: \$11,750

American Speech Hearing and Language Association

New Investigator Award 2008-2009
Title: The Effect of Verb Network Strengthening Treatment (VNeST) on Sentence Production in Spanish/English Bilingual aphasia
Role: Principal Investigator, Total award: \$5,000

National Institute on Deafness and Other Communicative Disorders (NIH/NIDCD) Clinical Loan Repayment Program (NIH/LRP)

Role: Principal Investigator, Total award: \$45,000 2006-2008
