EDUCATION

- 1990 **Ph.D. University of South Florida, Tampa, Florida, USA**
Specializations: Educational Measurement, Evaluation and Research Methodology
Dissertation: *Validation and Psychometric Analysis of the Gesell School Readiness Screening Test under Local Conditions.*
- 1980 **M.Ed. St. Christopher's College, University of Madras, Madras, India**
Specializations: Science Education, Secondary/Higher Secondary Education
- 1975 **B.Ed. University of Bombay, Bombay, India**
Specializations: Science Education, English Education
- 1973 **B.Sc. (Honors) Lady Brabourne College, University of Calcutta, W.B., India**
Major: Botany
Minors: Zoology, Chemistry
- 1969 **Indian School Certificate (I.S.C.), University of Cambridge, Local Examinations Syndicate, from St. Joseph's Convent School, Chandernagore, W.B., India**

RESEARCH AND TEACHING INTERESTS

- **Instrument design, validation, validity and test use issues**
- **Evidence standards, the “evidence debate”, improving evidence-gathering and evidence-synthesis methods to support evidence-based practices**
- **Evaluation methodology**
- **Standards-based reforms; educational equity; diagnostic classroom assessment interventions to close students’ achievement gaps**
- **Assessment policies in U.S. and global education settings**

EXPERIENCE

- 6/2015-present ***Professor of Measurement, Evaluation, and Education (tenured)***
Teachers College (TC), Columbia University,
Dept. of Organization and Leadership, Program of Social and Organizational Psychology
- 5/2006-present ***Director, Assessment and Evaluation Research Initiative (AERI)***
Teachers College, Columbia University. Website: www.tc.edu/aeri

June, 2019

Major responsibilities as professor:

- Develop and teach graduate- and doctoral- level courses in areas of specialization; advise doctoral students on dissertations and theses
- Conduct research and engage in innovative scholarship in areas of specialization
- Provide leadership in scholarly fields
- Provide service to the college/university, profession, and larger national and global community in areas of specialization

Major responsibilities as center director of AERI:

- Establish and direct a self-sustaining center, AERI, to achieve the center's mission.
AERI's mission is to promote meaningful use of assessment and evaluation information to improve the quality of practices and policies, internationally and across disciplines, with education as a primary field of action.
- Seek external funding and contracts to support AERI's activities and annual agenda. AERI's activities include sponsored or contracted research and evaluation projects, conferences, training institutes, and academic publications and blogs/policy briefs.
- Build a long-term vision and strategic plan for continuing AERI's work
- Develop partnerships with leaders, scholars, policy-makers, practitioners, and organizations to pursue AERI's agenda.

8/2015-6/2018

Co-editor, Quality Assurance in Education (QAE, Term: 2015-2018)

Emerald Group Publishing, UK.

For QAE's Aims and Scope, see:

<http://www.emeraldgroupublishing.com/products/journals/journals.htm?id=qae>

- Provide leadership by expanding the aims, scope, visibility, impact and standing of the journal
- Invite new thinking and publications by widening contributors, reviewer database, and readership
- Add an assessment policy section, and create criteria for reviewing and accepting policy paper submissions.
- Invite prominent authors to guest-edit QAE special issues on innovative topics
- Uphold standards of rigor and originality of journal through editorial role

Elementary School Teacher in English
Maneckji Cooper Education Trust School, Bombay 400056, India.

ACADEMIC AWARDS/HONORS/RECOGNITIONS

Fulbright Research Scholar, 2008
Center for International Exchange of Scholars, Washington, D.C.

June, 2019

Study title: *A study of gender equity in primary education in Bengali-speaking regions of India and Bangladesh: Evaluating access, opportunities, and factors affecting school outcomes and completion rates.*

Outstanding Publication Award

American Educational Research Association, 2004

Advances in Research Methodology-Division H

Paper title: *Evidence on what works: An argument for Extended-term Mixed Methods (ETMM) designs*

Note: This paper was published as a lead article in the *Educational Researcher* in 2004; reprinted in 2005.

Fellow

National Educational Policy Center (NEPC), 2006-present

University of Colorado at Boulder

Previously *Fellow*, Educational Policy Research Unit (EPRU), Arizona State University.

Distinguished Paper Award

Florida Educational Research Association, 1993

Paper title: *Examining dimensionality of data generated from an early childhood scale using Rasch analysis and confirmatory factor analysis* (with R.F. Dedrick and R.M. Smith)

Note: This paper was published as a lead article in the *Journal of Outcome Measurement* in 1997.

Outstanding Reviewer

American Educational Research Association, 2006.

Publications Committee, *Educational Researcher*

Reviewer Recognitions, 2012, 2013

Instructional Technology Award,

University of South Florida, 1997.

Invited Speeches and Keynote Lectures

2018

Invited Lecture

Columbia Global Center-Mumbai (CGC), India on February 12, 2018

June, 2019

Audience: Educational scholars/faculty, policy-makers, leaders from K-12 and higher education institutions in India.

Title: *Evidence-based Approaches for Enhancing Educational Quality*

Sponsor: CGC

2018

Panel Presentation

“Educational Leaders Data Analytics Summit” on June 8, 2018 at Teachers College, Columbia University

Audience: 130 Education leaders, data analytics scholars, K-12 educators in New York and the US.

Title: *Test Scores, Evidence, and Educational Quality--Searching for the Best Indicators*

2016

Keynote Address

The XIIth National Forum on Educational Evaluation held on October 28-29, 2016 at the Universidad Autónoma de San Luis Potosi (UASLP), Mexico, hosted by the Centro Nacional De Evaluación Para La Educación Superior (CENEVAL).

Audience: Attended by 250+ attendees, including university presidents, ministers of education, university program directors, faculty, researchers and the media.

Title: *Assuring Quality, Assessing Student Learning and Evaluating the Effects of “Complex” Programs in Higher Education: Issues, Contemporary Methodologies and New Directions*

Sponsor: CENEVAL, Mexico City.

2015

Invited Lectures

Audience: Faculty of Education, Departamento de Metodos de Investigacion y Diagnostico en Educacion, and students at the Doctoral Program of Education at Universidad Nacional de Educación a Distancia (UNED) in Madrid, Spain on January 12, 2015.

Title (Lecture 1): *Mixed Methods Evaluations*

Title (Lecture 2): *Classroom Assessment and the Proximal Assessment for Learner Diagnosis (PALD) Model*

Sponsor: UNED (Departamento de Metodos de Investigacion y Diagnostico en Educacion).

2014

Keynote Speech

International Educational Assessment and Research Conference
Organized by the Ministry of Education and Culture and Yogyakarta State University, Indonesia on November 8, 2014.

Title: *Issues in Implementing Classroom Assessment and the Proximal Assessment for Learner Diagnosis (PALD) Model*

Audience: 200+ academics, educators and administrators in higher education

Sponsor: Yogyakarta State University, Indonesia

2014

Invited Seminar-- Calcutta University’s Department of Education, Alipore Campus, Kolkata, India on February 5, 2014.

Title: *Measures and Correlates of Mathematics Self-efficacy, Mathematics Self-Concept and Mathematics-Anxiety in Elementary Students: An Instrument Design and Validation Study.*

June, 2019

Audience: Faculty and graduate students at the university

Host: Calcutta University's Department of Education, Alipore Campus, Kolkata, India

2012

Invited Lecture-Workshop- Conference hosted by Pearson and the World Bank for Indonesian education delegates, December 21, 2012.

Audience: Indonesian education delegates

Title: *Validity Considerations with Large Scale Assessments.*

Sponsor: Pearson Education, New York, NY

2012

Plenary Session- Lecture

International Conference on Educational Measurement and Evaluation. Phillipine Educational Measurement and Evaluation Association (PEMEA), Manila, Philippines. August 10, 2012.

Audience: Educators, faculty and measurement researchers of PEMEA

Title: *Teacher Proficiency Indicators in Diagnostic Classroom Assessment.*

Sponsor and Host: PEMEA

2011

Keynote speech

International Forum on Talent Cultivation in Higher and Vocational Education held at Ningbo City, China, sponsored by Ningbo Polytechnic Institute and Institute of Higher Education, Xiamen University, China, June 16, 2011.

Audience: Educators, faculty and researchers

Title: *Talent Development in Higher and Vocational Education using a Diagnostic Classroom Assessment Model.*

Sponsor: Xiamen University, China and Ningbo Polytechnic, China

2010

Invited Lecture--Institute of Higher Education, Xiamen University, China on March 15.

Title: *Models of Quality Assessment and Evaluation in Higher Education Systems in the U.S.*

Sponsor: Institute of Higher Education, Xiamen University, China

2010

Fulbright Lecture--United States-India Educational Foundation (USIEF), Kolkata, India—60th Anniversary Seminar Series, on February 18, 2010.

Title: *Gender Equity in Primary Education in West Bengal and Bangladesh: Educational Opportunities, Achievement Outcomes, and School Completion Rates.*

Audience: International audience of educational scholars/faculty, policy-makers, leaders from K-12 and higher education institutions, including local Fulbrighters.

Sponsor: USIEF, Fulbright Commission

2009

Panelist-- Institute of Medicine, The National Academy of Sciences (now the National Academy of Medicine), Washington, D.C. on January 8, 2009.

Title: *Alternatives and Tradeoffs in Generating and Evaluating Evidence: Perspectives from Education.*

Sponsor: Institute of Medicine, Washington, D.C.

2008

Invited lecture at the BRAC-Research and Evaluation Division (RED), Dhaka, Bangladesh on March 10, 2008.

Title: *Assessing Student Learning: Building Assessment Capacity in Bangladesh's Schools and Education Systems.*

Audience: Directorate of Primary Education, National Board of Textbook and Curriculum Development, Ministry of Secondary Education, BRAC University-Institute for Educational Development, BRAC Education Programs and BRAC-Research and Evaluation Division.

Sponsor: BRAC-RED and BRAC Education Programs

2008

Invited Special Lecture at the 12th International and 43rd National Conference of the Indian Academy of Applied Psychology, Kolkata, India on February 7, 2008.

Title: *Mixed-method Designs for Studying Effects of Complex Field Interventions: Criteria for Screening the Type and Grade of Evidence.*

Audience: International audience of educational scholars/faculty and psychologists in India.

Sponsor: Indian Statistical Institute, Kolkata, India

2007

Invited Lecture at BRAC University-Institute for Educational Development, Dhaka, Bangladesh on February 12, 2007.

Title: *Assessment and Evaluation in School Organizations.*

Audience: Bangladeshi educational scholars/faculty, policy-makers, leaders from K-12 and higher education institutions.

Sponsor: BRAC University-Institute for Educational Development

2007

Invited Lecture, Psychometric Research Unit, Indian Statistical Institute (ISI), Kolkata, India on January 22, 2007 to ISI faculty and students.

Title: *Using Structural Equation Modeling to Study the Internal Structure of Attitudinal Measures: The Teacher Readiness for Education Reform Scales.*

Audience: International audience of faculty and scholars from ISI.

Sponsor: ISI, Kolkata, India

2006

Invited Panelist at the American Educational Research Association (AERA), Mixed Methods SIG, Inaugural Session at the AERA annual meeting on April 7, 2006

Title: *Grades of Evidence in Effectiveness Research and How Mixed-method Designs Help*

Audience: AERA members.

2006

Invited Panelist

Eastern Evaluation Research Society, an affiliate of the American Evaluation Association. Conference closing panel discussion with Director of the Institute for Education Sciences, U.S. Department of Education and others at the annual meeting on April 29, 2006.

Title: *Rigorous Evaluations: Is There a Gold Standard?*

Audience: Eastern Evaluation Research Society members.

June, 2019

2004

Invited Lecture/Colloquium at Fordham University, Department of Clinical Psychology and Psychometrics, Colloquium Series. February 28, 2004.

Title: *Designing and Validating Construct Measures using a Unified Process Model.*

2003

Invited Panelist at the American Educational Research Association (AERA)/Institute for Education Sciences (IES)

Postdoctoral Fellows' Summer Retreat, August 15, 2003.

Lecture Title (1): *Instrumentation and Validity of Indicators.*

Lecture Title (2): *Knowledge Production through Documentation and Evaluation* (with Edmund W. Gordon).

Audience: Postdoctoral fellows and AERA/IES members

2003

Invited Lecture at the Eastern Evaluation Research Society-An Affiliate of the American Evaluation Association, April 28, 2003.

Title: *Models and Methods for Examining Standards-based Reforms* (based on a lead article published in the *Review of Educational Research*, 2002).

Sponsor: Eastern Evaluation Research Society

1989

Invited Presentation at the Florida Council on Elementary Education, April, 1989.

Title: *Results of the developmental kindergarten study.*

1991

Invited Panelist at the American Association of University Women's meeting, University of South Florida, 1991.

Title: *Continuous progress: New directions in elementary education at Pasco County.*

GRANTS AND CONTRACTS

RECEIVED:

¹ Published as Madhabi Banerji from 1990-2000 and as Madhabi Chatterji from January, 2001-present

June, 2019

Contract/Agreement of AERI with the Department of Anesthesiology at the Columbia University Medical Center (CUMC), 2018-present. Annually renewable contract of **\$15,000** per year.

AERI's Goals: Provide supervised research apprenticeship opportunities for TC's graduate students and postdoctoral researchers, leading up to joint grant applications, conference papers or publications

CUMC's goals: Supporting career development goals of medical faculty with technical consultation in measurement, statistics and research methods, grant preparation and publication.

Foundation for Anesthesia Education Research (FAER), 2017-20.

Sub-award # PG008427-01 of FAER REG-08-15-17; TC Index 544129

Purpose: Primary Faculty Mentor to Allison Lee, M.D., now Associate Professor, Department of Anesthesiology at the Columbia University Medical Center. **\$4918** (year 1); **\$7500** (year 2); **\$7500** (year 3).

Study title: *A mixed methods, randomized controlled trial comparing two methods of debriefing for a serious game designed to teach novice anesthesia residents (CAI) to perform anesthesia for emergency caesarian delivery.*

Teachers College Global Investment Fund. Competition, 2014-15. *Addressing inequities through a comprehensive, ecologically-based model of primary education: A capacity-building effort in teacher education institutions in India.* **\$8000** for developing grant proposals to initiate multi-year projects. *AERI Project.*

Subcontract with the International Medical Corps (IMC), 2013-14. *Evaluating comprehensive mental health and psychosocial support services for vulnerable refugees.* **\$52,683.** *AERI Project.*

This project involves selecting and validating outcome measures, and designing of a randomized field trial to evaluate the effectiveness of IMC's new intervention model for displaced Syrian refugees at camps and urban centers in Amman, Jordan. *Co-Principal Investigator* (with the Department of Clinical and Counseling Psychology, TC).

Subcontract with the Howard Hughes Medical Institute (HHMI) project at Barnard College, 2013-17. **\$31,998.** *AERI Project.*

4 year subcontract to support curriculum development and evaluation of the *Hughes Science Pipeline Project* for middle schools in New York City. *Principal Investigator.*

National Science Foundation (NSF) REESE Award, 2012-2013. **\$124,747.** *AERI Project.*

Title: *Improving validity at the nexus of assessment design and use: A proposal for an international conference and capacity-building institute in assessment and evaluation.* This grant partially supported AERI's inaugural conference and publications. *Principal Investigator.*

Provost's Investment Fund Award, 2011, Teachers College, Columbia University. **\$20,000.** *AERI Project*

Title: *Building capacity at home and abroad: A proposal for rotating institutes and conferences to generate and disseminate cutting-edge knowledge in the assessment and evaluation sciences.* This grant partially supported AERI's inaugural institute and publication of policy briefs. *Principal Investigator.*

Educational Testing Service (ETS). 2011-12. **\$52,200.** *AERI Project.*

Title: *Educational assessment, accountability and equity—Conversations on validity around the world.* ETS was a co-sponsor of AERI's inaugural conference held on March 28-29, 2012, and of published conference proceedings.

Office of the National Coordinator, United States Department of Health and Human Services, Washington, D.C. Curriculum Development Center award to the Department of Biomedical Informatics, Columbia University (ca. 1.2 million). Subcontract: **\$204,000.** *AERI Project.*

June, 2019

This subcontract supported the development and validation of curriculum goal frameworks and educational assessments in health information technology and designing of a program evaluation protocol, 2010-2012. *Co-Principal Investigator* (with the Department of Health and Behavior Studies, TC).

The Nand and Jeet Khemka Foundation, India, 2008-2010. *The Global Education and Leadership Foundation's Life Skills and Leadership Programme*. **\$754,000** (approx. half for the assessment and evaluation components). *AERI Project*.

Grant for development of student outcome frameworks, curriculum-based assessments, formative evaluation of pilot programs, and organizational capacity-building in assessment and evaluation. *Co-Principal Investigator* (with the Department of Arts and Humanities, Program of Social Studies and the President's office, TC).

Fulbright Research Award, 2007-08, Competition #7410. Center for International Exchange of Scholars, Washington D.C., June 2007. **\$13,837**. *Education for All* –case studies of primary schools in West Bengal, India and Bangladesh. *Principal Investigator*.

Stemmler Fund of the National Board of Medical Examiners (NBME), April, 2006. **\$145,000**. *AERI Project*.

Title: *Designing cognitive measures of practice-based learning and improvement as an iterative process combining Rasch and classical measurement methods*. *Co-Principal Investigator* with Peter Wyer, M.D. at the Center for Educational Research and Evaluation, Columbia University- College of Physicians and Surgeons.

Community Foundation of Elmira/Corning/Finger Lakes areas. *The Chemung County School Readiness Studies*. **\$94,000** over a 3 year period (2006-09). *AERI Project*. *Principal Investigator*.

National Science Foundation-EREC Award 03-542, November, 2005-2008. **\$501,925**.

Title: *Improving mathematics achievement in middle school students with systemic use of proximal assessment data*. Research, development and field-testing of the *Proximal Assessment for Learner Diagnosis* (PALD) model for classroom teachers in four schools in East Ramapo, NY. *Principal Investigator*.

U.S. Department of Education. School-based mentoring programs: Evaluation of long-term effects on adolescents in the Peekskill School District, NY. Sub-contract with Family Services of Westchester, N.Y. Funded in 2004; project duration January, 2005-December, 2007. **\$10,000 per year**. *Principal Investigator*.

Cognitive Tutor evaluation. Contract to evaluate the effects of the Cognitive Tutor math program at 13 Brooklyn schools (Carnegie Learning Corporation) 2003-2004. **\$20,155**. *Principal Investigator*.

AERA Statistical Analysis and Policy Institute. April, 2002.

National Center for Educational Statistics (NCES). Training on the ECLS database July, 2001.

Kumon program evaluation. Grant to evaluate the effects of the Kumon supplementary math and reading programs at P.S. 180 in the Chancellor's District, New York. (Kumon North America, Inc.) 2001-2002. **\$28,750**. *Principal Investigator*.

Data-based decision-making in the classroom. Grant to develop a training manual in statistical analysis and use of assessment data for educational decision-making (Pinellas County Schools, Florida, Goals 2000 project, 1999-2001). **\$29,000**. *Principal Investigator*.

June, 2019

Readiness for Statewide Assessment Reforms and its Influence on School Practices and Outcomes. Grant to conduct a large scale survey to evaluate needs related to state-initiated reforms in nine Florida school districts. Bureau of Teacher Education, Florida Department of Education, 1999. **\$25,000**. *Principal Investigator*.

Readiness for Statewide Assessment Reforms and Influences on School Practices and Outcomes. University of South Florida, Division of Sponsored Research, Creative Scholarship Grants Competition, March, 1999. **\$7,500**. *Principal Investigator*.

Designing and Validating Educational Assessments: A Computer-based Module. Instructional Technology Grants Competition. Center for Teaching Enhancement, University of South Florida, March, 1997. **\$7,500**. *Principal Investigator*.

Developing Teacher-friendly Guides for Assessing Florida's Goal 3 Standards. Invitational grant awarded by Bureau of Curriculum, Instruction, and Assessment, Florida Department of Education to the Pasco County School System, March, 1995. **\$67,000**. *Project Leader and Primary Author*.

Evidence of Consequential Validity of Alternative Assessments Aligned to an Elementary Mathematics Curriculum: A Pilot Study. Grant awarded by the Florida Educational Research Council in July, 1994. **\$2,060**. *Principal Investigator*.

CONFERENCE PAPERS AND PRESENTATIONS

NATIONAL AND INTERNATIONAL CONFERENCES:

Separate but (Un)Equal? Measurement Expertise vs. Policy Knowledge in Testing for Accountability. (2020) at the annual meeting of the National Council on Measurement in Education (NCME). Zoom session held on Sep 11, 2020 (with Suzanne Lane, Ellen Forte, Neal Kingston, Howard Everson, Martha Thurlow and Aaron Pallas).

Learning Outcomes of a Serious Video Game: A battle of the sexes. Paper presented at the International Meeting on Simulation in Healthcare (IMSH) San Diego, CA, January, 2020 (with Lee A, Goodman S, Corradini B, Chen C-M, and Landau R.)

A Simulation-based Education Needs Assessment of Anesthesiology Trainees'. Abstract Presentation, International Meeting on Simulation in Healthcare(IMSH) San Diego, CA, January, 2020. (with Pena J, Anderson N, and Lee A.).

A Simulation-based Education Needs Assessment of Anesthesiology Trainees'. Abstract Presentation, American Society of Anesthesiologists Annual Meeting, Orlando, FL, October, 2019 (with Pena J, Anderson N, and Lee A.).

Learning outcomes of a serious video game for anesthesia residents: a battle of the sexes. (with A. Lee, C, Chen, & R. Landau). 20th International Meeting on Simulation in Healthcare (IMSH 2019), to be held January 18 - 22, 2020 at the San Diego Convention Center in San Diego, California, USA.

A needs assessment study for simulation training for anesthesia residents (with A. Lee, C, Chen, & R. Landau). 20th International Meeting on Simulation in Healthcare (IMSH 2019), to be held January 18 - 22, 2020 at the San Diego Convention Center in San Diego, California, USA.

June, 2019

Validity issues in large scale testing contexts: An analysis of stakeholder perspectives (with Meiko Lin and Emily Valente) at the annual meeting of the National Council on Measurement in Education (NCME) on April 16, 2018 in New York City, NY.³

Factoring in effects of Opportunity to Learn on students' mathematics achievement on the TIMSS using a unified framework (with Meiko Lin) at the annual meeting of the National Council on Measurement in Education (NCME) on April 15, 2018 in New York City, NY.³

Validating Relationships among Mathematics-related Self-Efficacy, Self Concept, Anxiety and Achievement in Young Learners. Paper presentation (with Meiko Lin) at the annual meeting of the National Council on Measurement in Education, April, 2016 at Washington, DC.³
