Courses Taught:

1995-Spring/Fall semester - Health Promotion Disease Prevention Seminar (course # 6732), advanced seminar for Master's and Doctoral students, 15 students enrolled (Spring), 10 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1996-Spring/Fall semester - Health Promotion Disease Prevention Seminar (course # 6732), advanced seminar for Master's and Doctoral students, 19 students enrolled (Spring), 12 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1997-Spring/Fall semester - Health Promotion Disease Prevention Seminar (course # 6732), advanced seminar for Master's and Doctoral students, 6 students enrolled (Spring), 22 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1998-Spring/Fall semester - Health Promotion Disease Prevention Seminar (course # 6732), advanced seminar for Master's and Doctoral students, 24 students enrolled (Spring), 16 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1999-Spring/Fall semester - Health Promotion Disease Prevention Seminar (course # 6732), advanced seminar for Master's and Doctoral students, 9 students enrolled (Spring), 20 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2000-Spring/Fall semester - Health Promotion Disease Prevention Seminar (course # 6732), advanced seminar for Master's and Doctoral students, 15 students enrolled (Spring), 14 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2001-Spring/Fall semester - Health Promotion Disease Prevention Seminar (course # 6732), advanced seminar for Master's and Doctoral students, 13 students enrolled (Spring), 18 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2002-Spring/Fall semester - Health Promotion Disease Prevention Seminar (course # 6732), advanced seminar for Master's and Doctoral students, 14 students enrolled (Spring), 14 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2003-Spring semester - Health Promotion Disease Prevention Seminar (course # 6732), advanced seminar for Master's and Doctoral students, 10 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1995-Fall semester - Doctoral Research Seminar (course #9780), advanced seminar for Doctoral students, 7 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1996-Fall semester - Doctoral Research Seminar (course #9780), advanced seminar for Doctoral students, 9 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1997-Fall semester - Doctoral Research Seminar (course #9780), advanced seminar for Doctoral students, 7 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1998-Fall semester - Doctoral Research Seminar (course #9780), advanced seminar for Doctoral students, 11 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1999-Fall semester - Doctoral Research Seminar (course #9780), advanced seminar for Doctoral students, 12 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2000-Fall semester - Doctoral Research Seminar (course #9780), advanced seminar for Doctoral students, 18 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2001-Spring/Fall semester - Doctoral Research Seminar (course #9780), advanced seminar for Doctoral students, 5 students enrolled (Spring), 12 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2002-Spring/Fall semester - Doctoral Research Seminar (course #9780), advanced seminar for Doctoral students, 9 students enrolled (Spring), 9 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2003-Spring semester - Doctoral Research Seminar (course #9780), advanced seminar for Doctoral students, 7 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1995-Spring semester - Evaluation of Health Program Seminar (course #8705), advanced seminar for Master's and Doctoral students, 25 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1996-Spring semester - Evaluation of Health Program Seminar (course #8705), advanced seminar for Master's and Doctoral students, 11 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1997-Spring semester - Evaluation of Health Program Seminar (course #8705), advanced seminar for Master's and Doctoral students, 7 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1998-Spring semester - Evaluation of Health Program Seminar (course #8705), advanced seminar for Master's and Doctoral students, 10 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1999-Spring semester - Evaluation of Health Program Seminar (course #8705), advanced seminar for Master's and Doctoral students, 17 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2000-Spring semester - Evaluation of Health Program Seminar (course #8705), advanced seminar for Master's and Doctoral students, 31 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2004-2007- Race and Health, master's level seminar, average enrollment: 30 students Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2005-2008- Chronic Diseases, Master's level seminar, average enrollment: 30 students Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2001-Spring/Fall semester - Evaluation of Health Program Seminar (course #8705), advanced seminar for Master's and Doctoral students, 42 students enrolled (Spring), 21 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2002-Spring/Fall semester - Evaluation of Health Program Seminar (course #8705), advanced seminar for Master's and Doctoral students, 26 students enrolled (Spring), 36 students enrolled (Fall). Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2003-Spring semester - Evaluation of Health Program Seminar (course #8705), advanced seminar for Master's and Doctoral students, 25 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1996-Fall semester - Health Problems of African-Americans (course #8750), advanced seminar for Master's and Doctoral students, 20 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1997-Fall semester - Health Problems of African-Americans (course #8750), advanced seminar for Master's and Doctoral students, 12 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1998-Fall semester - Health Problems of African-Americans (course #8750), advanced seminar for Master's and Doctoral students, 12 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

1999-Fall semester - Health Problems of African-Americans (course #8750), advanced seminar for Master's and Doctoral students, 12 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.

2000-Fall semester - Health Problems of African-Americans (course #8750), advanced seminar for Master's and Doctoral students, 15 students enrolled. Sociomedical Sciences Division, Mailman School of Public Health, Columbia University.
