STEP 2: Go to the offer card.
From the applicant card, find the appropriate requisition. (*Please note: Applicants may have applied to multiple jobs. All will appear on this listing.)

In the offer section, click **No offer.**
You will be taken to the offer card.

STEP 3. Complete the offer details card.
Complete all necessary fields for your offer.

In **Employee Type**, please choose **Student.**

**For Tentative End date:**
- For *open ended appointments*, please input **8/31/2049**
- For *terminal appointments*, input the tentative end date.

**Note:** Mandatory fields are indicated with an asterisk *. Additionally, all offers have different required fields based on the auto-fill fields of the offer letter (generated in step 4).

STEP 3.1
In addition to all required fields (noted by the asterisks), you must also fill in the student’s UNI. If left blank, your merged offer letter will not fill properly in **step 4.**
**STEP 3.2: Salary**

The Annual salary, Hourly pay rate, and overtime rates must be filled in regardless of the status of the position.

Input the pay information as follows:

- 11 - enter the overtime rates accordingly. You can use this tool to assist you: OT Calc

*Please note:* do not enter a dollar sign, as it will error out these fields.

One notable mandatory field is the **13 - Onboarding workflow.** Select **Student** for work study positions.

Please ensure you select the correct onboarding workflow as this affects the background check process

*(Background checks are not applicable to student roles, however, if the incorrect Onboarding workflow is chosen it can unnecessarily delay their onboarding process).*
Step 3.3 Note:
Just below the Onboarding section you may see the Offer Accepted button. Even if you have received a verbal acceptance from your candidate please do not click yes. This will automatically change once your candidate completes their steps.

STEP 4
Merge Offer Documents
Every offer must have an Offer Letter and a Pay Rate Form (legally required by New York State law). If either of these documents are missing from the offer, the offer approver will decline and you will be required to update accordingly.

Click Merge document.
A pop up box will ask you to save the offer card. Click Ok.

STEP 4.1
A Document merge box will pop up.
Navigate to the Students folder.
Select Offer Letter: College Work Study and Pay Rate Form: College Work Study.

Click Merge.
STEP 4.2
A different Document merge box will appear. The system pulls information directly from the Offer details card and populates it onto the Offer Letter and Pay Rate Form.

An asterisk designates any missing mandatory fields. Review all parts of Steps 3 - 3.3. Click Back to fix the issue(s). If no changes are needed, click Ignore.

STEP 4.3
You will be taken back to the Offer Details card and can find your newly merged offer documents in that section.

Always click View to review the offer documents. Remember these are legally binding documents.

STEP 5
Select the approval process
From the drop down menu, select Student Employment

STEP 5.1
The approval line should stay with the default, Student Employment Team.
STEP 5.2
Save Offer details card.
Click Save. Click Okay.

Now your offer card is complete and saved.

STEP 5.3 Approve the offer card.
The Student Employment team will review the offer details and approve the offer. If the offer is declined for any reason, it will be indicated in the “History” section on the Applicant Card (see the Note in the second screenshot on the right).

STEP 6: Navigate back to the applicant card.
Once the offer is approved by the Student Employment Team, the hiring manager will receive an email notification indicating this.

In the top menu bar, click Recent items.

From the drop down menu, you should see the name of your candidate.

Click on the applicant’s name and you will open the applicant card.
