STEP 2: Go to the offer card.
From the applicant card, find the appropriate requisition. (*Please note: Applicants may have applied to multiple jobs. All will appear on this listing.*)

In the offer section, click **No offer**. 
You will be taken to the offer card.

STEP 3. Complete the offer details card.
Complete all necessary fields for your offer. In **Employee Type**, please choose **Student**.

**For 3- Tentative End date:**
- *For College Work Study roles, can only be appointed for one year at a time. The End Date should be no later than the end of the corresponding federal aid year i.e June 30. The federal aid year runs from July 1 to June 30 of the following year.*

**Note:** Mandatory fields are indicated with an asterisk *. Additionally, all offers have different required fields based on the auto-fill fields of the offer letter (generated in step 4).

STEP 3.1
In addition to all required fields (noted by the asterisks), you must also fill in the student’s UNI. If left blank, your merged offer letter will not fill properly in **step 4**.
STEP 3.2: Salary

The Annual salary, Hourly pay rate, and overtime rates must be filled in regardless of the status of the position.

Input the pay information as follows:

- 9 - enter the full appointment amount
- 10 - enter the hourly rate
- 11 - enter the overtime rates accordingly. You can use this tool to assist you: OT Calc

*Please note: do not enter a dollar sign, as it will error out these fields.*

STEP 3.3:

Go to 12 - Onboarding form.

- For brand new hires, select Student Post Offer Form
- For current employees, select Current Employees Post Offer Form

One notable mandatory field is the 13 - Onboarding workflow. Select Student for work study positions.

Please ensure you select the correct onboarding workflow as this affects the background check process

*(Background checks are not applicable to student roles, however, if the incorrect Onboarding workflow is chosen it can unnecessarily delay their onboarding process).*
**Step 3.3 Note:**
Just below the Onboarding section you may see the Offer Accepted button. Even if you have received a verbal acceptance from your candidate please do not click yes. This will automatically change once your candidate completes their steps.

**STEP 4**
**Merge Offer Documents**
Every offer must have an Offer Letter and a Pay Rate Form (legally required by New York State law). If either of these documents are missing from the offer, the offer approver will decline and you will be required to update accordingly.

Click **Merge document**.
A pop up box will ask you to save the offer card. Click **Ok**.

**STEP 4.1**
A Document merge box will pop up. Navigate to the Students folder. Select Offer Letter: College Work Study and Pay Rate Form: College Work Study.

Click **Merge**.
STEP 4.2
A different Document merge box will appear. The system pulls information directly from the Offer details card and populates it onto the Offer Letter and Pay Rate Form.

An asterisk designates any missing mandatory fields. Review all parts of Steps 3 - 3.3. Click Back to fix the issue(s). If no changes are needed, click Ignore.

STEP 4.3
You will be taken back to the Offer Details card and can find your newly merged offer documents in that section.

Always click View to review the offer documents. Remember these are legally binding documents.

STEP 5

In the top menu bar, click **Recent items**.

From the drop down menu, you should see the name of your candidate.

Click on the applicant’s name and you will open the applicant card.

**STEP 7.1: Send the offer to the candidate.**
On the applicant card, navigate to your requisition.

You will see that the offer is now **Offer Incomplete**. *(This status will be updated after the applicant accepts the offer.)*

Under status, click **New**.
STEP 7.2 Change the application status.

From the pop up box, select *Send contingent online offer* and click Next>

**Note, you may not see all of the listed application status. These vary depending on the recruitment process.**

STEP 7.3: Review email to be sent to candidate

In the ‘From’ field, replace the populated email with your own tc.edu email.

*By adding your email the applicant will know to communicate directly with you.

Click Move now. This will send the email to the candidate. They will be required to click on the Applicant portal link in the email to accept the offer and complete the post hire forms.

*Please encourage candidates to complete this step as soon as they receive this email.
