**STEP 3: Input Begin Record**

**Note:** Required fields are indicated by a red asterisk \*.

The following fields will be defaulted from the query date you input in Step 1. This should be the actual start date.

**Job Begin Date**

**Effective Date**

**Personnel Date**

**Enter the Timesheet Orgn.** This is the same as the Organization field in the Funding Allocation section (Step 4). Input the index the transaction is being charged to and click Default from Index. Copy the value in the Organization field into the Timesheet Orgn field. If there are multiple indices, select the one with the highest %.

**STEP 4: Input the funding allocation.**

The funding effective date will default from the query date that was inputted in Step 1.

The funding information **MUST** be updated from the defaulted values. Enter your index number and click the button for “Default from Index.”

Please Note: When you click “Default from Index,” the system removes the defaulted account, which must then be added back. If you forget your account, you can always refer to the [e-class & account chart](#).

Finally, ensure the total of each row in the Percent column is 100%.
