amount you are willing to pay for the position.

You can work with your budget administrator to determine this number.

*If the maximum budget amount available is lower than the minimum of the pay scale, please consult with your HR Generalist.

STEP 4: Go back to the “Salary Range for Posting” field.

Manually enter the minimum and maximum amounts determined in steps 2 and 3.

Note:
If there is a large discrepancy between the maximum budgeted amount and the listed pay scale, please consult with your HR Generalist. This could mean that your budget is not competitive enough to attract candidates with the current market rate.

STEP 4.1: Process for Union Positions

For union positions in 2110, 707, or 32BJ, enter the minimum starting hourly rate as per the contract. Your HR Generalist will confirm the rate before the position is posted.

Ex., $25.00 - $25.00 / hr

STEP 4.3: Process for Hourly, non union positions

For hourly positions that are non - union, enter the maximum hourly rate, and a minimum hourly rate that is not below the minimum wage of $15 per hour.

Ex., $22.50 - $30.00 / hr

STEP 5: Complete the rest of the fields.

Please note: The posting channels ticked off in this section are only a wish list. Please work with your HR rep to discuss posting to these channels.
