The College of Dental Medicine (CDM) is pleased to offer the Columbia Dental Plan, a comprehensive dental package. Members have over three hundred dentists in the network to choose from including our faculty practices listed below. The plan has no deductibles, no exclusions and no limitations for pre-existing conditions\(^\circ\). The benefit includes all preventive and routine restorative services covered at 100% with all other procedures covered at 50%. The patient is responsible for the payment of 50% of the dentists regular fee\(^1\). All procedures are applied toward the $2,000 annual maximum\(^2\) per person. This plan is an in-network plan only.

**Procedures covered at 100% with unlimited frequency**
