We welcome the opportunity to learn more about your child. Please respond thoughtfully and thoroughly to each of the questions below. The information, anecdotes, and connections that you share are essential for ensuring that our program is a good match for your child and family. Please attach additional pages as needed.

1. What words come to mind when describing your child? For each word, share how your child embodies or enacts this word.

2. At Hollingworth Preschool, one way we build community is through song and shared experiences. During the school year, we invite children to share their favorite things with their classroom community. Sometimes, our favorite things are keepsakes from a past experience, items that remind us of a place or loved one, a tribute to our unique backgrounds, or a preferred book or toy. What are a few of your child's favorite things, and why are they significant to them?
