**Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:**

The only advanced standing students we admit are from our own Ed.M. program. They are admitted at the end of the second year and typically take 4 years (or a total of 6 years from the time they entered the Ed.M. program) to complete the Ph.D. program.

**Numbers in parentheses include time spent in Ed.M. before entering the doctoral program**
