### Essay Prompt

In an essay of no less than five paragraphs, discuss how Shakespeare communicates a theme, of your choice, in *Othello*.

Use the example below as a guide to formulate your thesis statement. The “X” represents tangible features within *Othello* (words, actions, physical characteristics), while the “Y” represents themes you have identified (feminism, sexism, racism, love, hate etc...)

**How does Shakespeare use     X     to communicate ideas about     Y    ?**
