Pundit: Veer is ~~not~~ NOT an Indian.

Raz: But he is not bangli so we don't think he will like the same thing and solider Zahid who is the most closet to Veer said so.

Pundit: Those who are close to you are those that hurt you.

Raz: I only listen to the truthful and the honest. and solider Zahid had saved our whole country by helping Veer. He must know every thing.

Solider ~~Zohid~~: Come my brother. I have planned every-  
thing so that you can talk to my wife  
Zara who will arrange the meeting with Pia.

Baz: Thank you is all I can say for now. But there  
is much more I want to do.

of the All mighty. Veer knows this and he says  
your like his little brother.

I want to meet Pia.

Zara: In Bengladesh when a girl meets a man, it is seen  
to be wrong ... a sin ... but still I make arrangements.

a: Yes I am a Bangli and I know the words that this country says are always about some one. But this is important dear husband. I never went against you. Never asked for anything. Please this is my last and first wanting.

er: leave me alone for a while and I will think about it.

(Exit Pia and zara)

er: My honest slider what is happening? when did Raz turn into my wifes first wish.

Slider Zahid: Yes some things are rocky here but you be okay... I do understand where this can lead to. But Pia wouldn't do such thing. Be healthy dear Veer.

er: what you mean by where this can lead to?

Solider Zahid: Umm... well one time when we went to do our "Salat" I heard Raz praying to god for Bia.

Veer: And you tell me that now. This can happen. Not while I am alive. I won't see my wife run away with some unwanted fello of the
