

Reflection

- Nothing really changed when we applied the new rule. We already kind of used it before in the other discussions
2. ~~at~~ A little, we talked a little longer, and stayed on topic
 3. ~~Yes~~ we talked about Directions, and how they relate to what's going on now
 4. Not really
 5. Yes, we transitioned easier and talked longer. It made us think more which is sort of a good thing.

1. Everyone searched for evidence.
2. Our discussion lasted longer because of it.
3. No we didn't talk about things we missed
4. More follow-up questions were made by ~~more~~ ~~it~~
5. The conversations were longer.
